**The Spirit Is Moving: New Pathways in Pneumatology** ,2019-02-26 The work of the Spirit of God is a vibrant and much discussed topic in many contemporary Christian communities worldwide Apparently the Spirit is moving Theological reflection on this phenomenon has even given rise to what is often called a pneumatological renaissance This volume not only takes stock of these remarkable developments but also probes some of their hidden aspects and highlights avenues for future exploration It contains a wide ranging but coherent assortment of essays covering the five relations of the Holy Ghost

distinguished already in the Nicene Constantinopolitan Creed how does the Spirit of God relate to the Bible to the Christ to the human person to the church and to the world These essays are written as a tribute to the many inspiring theological contributions of prof Cornelis van der Kooi on the occasion of his retirement as Professor of Systematic Theology at the Faculty of Religion and Theology Vrije Universiteit Amsterdam where he taught from 1992 until 2018 Contributors are Henk A Bakker Abraham van de Beek Erik A de Boer Carl J Bosma Gijsbert van den Brink Martien E Brinkman Gerard C den Hertog Arnold Huijgen Gerrit C van de Kamp Miranda Klaver Akke van der Kooi Margriet van der Kooi Dijkstra Bruce L McCormack Richard J Mouw Bert Jan Lietaert Peerbolte Eveline van Staalduine Sulman Eep Talstra Benno van den Toren Jan Veenhof Willem van Vlastuin Pieter Vos Michael Welker Cory Willson Maarten Wisse     Starting with the Spirit Stephen Pickard, Tracy Preece, 2001-12-31 Within the field of theology per se a fundamental issue is raised when we begin with the Spirit This issue concerns the particular shape and trajectory of the Christian faith How will the doctrine of God at the heart of theology be re configured when the Spirit becomes the fundamental theme To begin with the Spirit is to place such a question at the centre of the theological agenda     The Spiritual Vision of Frank Buchman Philip Boobyer, 2015-06-29 The Spiritual Vision of Frank Buchman is an in depth look at the life spirituality and ideology of one of the most original figures in twentieth century religion Frank Buchman 1878 1961 the Pennsylvania born initiator of the movement known as the Oxford Group and Moral Re Armament was a Lutheran pastor who first had influence as a college evangelist and missionary with the YMCA His thinking then evolved during the 1930s the Second World War and the early Cold War as he tried to develop a world philosophy that could offer an answer to war and materialism His impact was particularly felt in the areas of conflict resolution between nations and interfaith dialogue and Alcoholics Anonymous also owed much to his methods Philip Boobyer s book is the first scholarly overview of Buchman s ideas and is an important addition to the growing corpus of academic literature on his worldwide outreach Boobyer shows how his work reflected broader processes in twentieth century religion and politics and can be seen as a spiritual response to an emerging global society     **Spirit, Saints, and Immortality** Patrick Sherry, 1984-06-30 This book is a philosophical and theological study of the claim that the indwelling of the Holy Spirit which produces sanctity is an anticipation of a future state Focusing on Christianity Patrick Sherry investigates the grounds of this belief examining the interconnections between the ideas of the spirit of God saintliness and immortality Throughout Sherry argues that the existence of saintly people is of much more importance than is usually realized for it is a rare and precious occurrence which requires evaluation and explanation The existence of saints raises questions about the attainment of likeness to God about grace and redemption Sherry s study gives essential and illuminating answers     *Pictures of the Spirit* David T. Williams, 2003-06-09 On the day of Pentecost there was the sound as of a great wind and what appeared to be tongues of fire appeared Particularly since the start of the twentieth century the Christian world has been in turmoil over the experiences that the Holy Spirit has given to many Christians But few

understand who it is who is producing such a tremendous effect after all unlike Jesus we cannot see the Spirit Here the Bible does give a lot of help by describing the Spirit in ways that we understand such as wind fire or a dove These illustrations are explained and suggestions are made for a number of others both from the ancient and modern worlds To better understand what the Spirit does we need to better understand who he is this book does just that Pentecostal Ecclesiology Simon K.H. Chan,2019-05-21 This book argues that if the Pentecostal movement is to overcome its excessive individualism and structural instability the way forward is not more institutionalization but a coherent and robust ecclesiology based on the Pentecost event which is the coming of the Holy Spirit in his own person into the church A Pentecostal ecclesiology is essentially the working out of the ramifications of that key event The book takes a more ontological understanding of the relationship between the Spirit and the church than would Protestant and evangelical ecclesiologies In this respect it has more in common with Orthodoxy It is further argued that this realignment away from Protestantism and evangelicalism towards Orthodoxy far from removing Pentecostals from their roots actually brings them much closer to the heart of Pentecostal spirituality The Spirit of London's River L. M. Bates,1980 **The Letter Kills, but the Spirit Gives Life** Sky Takemoto,2025-02-16 The divine life is not knowledge doctrines or anything else but the Spirit The letter kills but the Spirit gives life As the Redeemer Christ Himself became a life giving Spirit We receive Christ as the Savior the Redeemer and also as the life giving Spirit He alone gives us the Spirit of life In order to receive life we need to contact the Spirit as the pneuma by breathing Him in Romans 8 2 says The law of the Spirit of life has freed me in Christ Jesus from the law of sin and of death The Spirit is the releasing Spirit who sets us free Second Corinthians 3 17 says The Lord is the Spirit and where the Spirit of the Lord is there is freedom This law of life releases us from Moses law the law of sin and of death The function of the law is to expose transgressions Without the law we would not know what sin is But whenever our heart turns to the Lord who is the releasing Spirit the veil is taken away The mind set on the spirit is life By setting our mind on the spirit spontaneously the divine life sets us free *The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Five* James Leo Garrett Jr.,2022-03-29 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In *The Collected Writings of James Leo Garrett Jr 1950 2015* the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many for so long Volume 5 contains general theological considerations as well as a number of Garrett s reflections on twentieth century Christian leaders Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life *The Collected Writings of James Leo Garrett Jr 1950 2015* will inform and inspire readers regardless of their religious or denominational affiliations
