Hawkwind: Days of the Underground Joe Banks, 2020-10-13 An account of the English rock band Hawkwind shows them to be one of the most innovative and culturally significant bands of the 1970s Fifty years on from when it first formed the English rock band Hawkwind continues to inspire devotion from fans around the world Its influence reaches across the spectrum of alternative music from psychedelia prog and punk through industrial electronica and stoner rock Hawkwind has been variously if erroneously positioned as the heir to both Pink Floyd and the Velvet Underground and as Britain's answer to the Grateful Dead and Krautrock It has defined a genre space rock while operating on a frequency that suniquely its own Hawkwind offered a form of radical escapism and an alternative account of a strange new world for a generation of young people growing up on a planet that seemed to be teetering on the brink of destruction under threat from economic meltdown industrial unrest and political polarization While other commentators confidently asserted that the countercultural experiment of the 1960s was over Hawkwind took the underground to the provinces and beyond In Days of the Underground

Joe Banks repositions Hawkwind as one of the most innovative and culturally significant bands of the 1970s It s not an easy task As with many bands of this era a lazy narrative has built up around Hawkwind that doesn t do justice to the breadth of its ambition and achievements Banks gives the lie to the popular perception of Hawkwind as one long lysergic soap opera Fractured Skull - Vol. 2: Violet with Days of the Underground he shows us just how revolutionary Hawkwind was Claudia Pohl, Dex My name is Noah but everyone calls me Dex VP of the Fractured Skull biker club I m 42 years old and I don t need much to be happy here in my home town Jackson in Wyoming My club my two best friends Silver and Bear and my sister Audrey with my two nephews and of course my bike Women have no place in this life Not after my ex wife really screwed me over But all that was about to come crashing down when my nephews stole my bike to take it for an illegal spin These idiots then have to ride it into a car The owner A beautiful dream in leather with a cheeky mouth and colorful hair Yvette is exactly what I don't need right now She distracts me and seems to pop up wherever I am And before I know it I can t stop thinking about her But I need my energy elsewhere because there s a rapist going around our little town and rumors are doing the rounds that he s part of our club I can t let myself be distracted now Yvette What s the best way to say I m tired of life I m Yvette the daughter of a rock legend and a Norwegian model I m short hate all forms of sport love my curves my tattoos and sometimes have problems with my mouth if you tease me too much Oh and purple is exactly my color I don t know the word home I ve been on tour with my father ever since I was a child teaching and living out of a bus so a home has always been my dream I formed my own band at 16 and we became successful At 20 I opened my own restaurant Now I m 34 and burnt out So I ended my career sold all my restaurants and moved out to the countryside Now I live in the small town of Jackson and everything has finally calmed down a bit in my life until suddenly there s a bang and a motorcycle is stuck in my passenger side The owner Dex A biker with a big ego and even more confidence And maybe he s a bit of a good sight too OKAY he s hot But he makes it pretty clear that he doesn t want me But won t let anyone else have me either so it doesn t take him long to wear out my patience I don't let anyone play with me Not even him **Deadly Doll: A New Adult Dark Bully Romance Mystery Thriller** Rachel Angel, 2021-08-11 It turned out my Angel of the Isle was the Devil himself Book 2 of the Baby Girl Series I thought he was just a figment of my imagination The tall dark and handsome man who kept watch over me in the most beautiful garden I ve ever dreamed of It wasn t just a garden though but a playground where he would teach me how to use my body and how to hone my body into a secret and human weapon He said it would come in handy one day and that I must master the art This man who always wore a mask said that learning the art of combat and defense would save my life I just didn t know that it would require taking a life of someone I know He called me Baby Girl and after all these years I still guiver when I hear his name My teacher my lover The ultimate bully Now my Enemy The Baby Girl Series is a Dark New Adult Romance with a TV MA rating suited for 18 and up
