## **The Strange Michael Folmer Affair:**

The Strange Michael Folmer Affair John Rigbey, 2007 Following the murder of a prostitute in London s East End Detective Chief Inspector Mike Gregory of New Scotland Yard is deputed to investigate what seems to be the emergence of a crazed killer bent on emulating the crimes of nineteenth century Jack the Ripper With his marriage failing and plagued with self doubt Gregory pits his wits against the serial killer but when the fingerprints on a letter sent by the murderer appear to match those of a man hanged for murdering a prostitute almost fifty years earlier the enquiry takes a bizarre and unprecedented turn As he pieces together the fragile threads of the case you will follow Gregory through the sewers of Victorian London to the West End of the fifties and into the present day culminating with the shocking and grisly final attempt of the killer to replicate the last murder of his sickening 1888 predecessor An essential read for Ripperologists and all devotees of crime fiction Folmer is an intriguing and fascinating tale of a modern serial murderer and as well as examining the Victorian crimes and the sordid underbelly of 1950 s Soho the reader is afforded a fascinating close up view as the murderer descends into madness

**A Corrupt Tree: An Encyclopaedia of Crimes committed by the Church of Rome against Humanity and the Human Spirit** A.S., 2014-01-13 A Corrupt Tree is a unique extensively researched four volume expos of the dark side of the Church of Rome It reveals that for nearly two thousand years the Church s fundamental characteristic has been its self serving abuse of religious corporate power A large proportion of this first volume provides a detailed catalogue of the multitude of unholy popes Included are those who were immature capricious corrupt lascivious fanatical senile truly mad megalomaniac tyrannical murderous and wholesale killers It confirms that for many many centuries the popes were corrupt cruel inhumane and despotic In an age of savagery they were the leaders in barbarity in the subsequent age of enlightenment they have persistently resisted the march of progress Additionally the popes were wholesale killers who made the principle of assassination a law of the Christian Church Accordingly the Church has shed more innocent blood than any other institution that has ever existed among mankind Here also are presented the cupidity corruption and sexual misdeeds of lesser ecclesiastics including cardinals bishops priests monks and nuns Pope Honorius III for example described his priests as worse than beasts wallowing in their dung The Church s ruthless stranglehold on knowledge and learning is catalogued in detail Mathematics philosophy and science were repressed Selected applied theology ruled the world Everything was explained but nothing was understood The chapters on censorship reveal that even works of considerable literary or philosophical merit did not escape A large number of writings which eventually became classics of European culture were condemned and prohibited The Church also exhibited a vitriolic hatred of those who translated the Bible into the vernacular Many of these men were annihilated Holy books were burned in large numbers particularly the Jewish Talmud It is clearly demonstrated that the Church held back civilisation for over fifteen hundred years Century after century passed away and left the peasantry but little better than the cattle in the fields Finally the unholy

behaviours of the numerous popes cardinals and lesser ecclesiastics are shown to establish unequivocally that the Church of Rome is neither holy nor apostolic The ultimate message of these volumes is that to become an exemplary institution and to play a truly humane role in the world s future the Catholic Church must change     *National Library of Medicine Current Catalog* National Library of Medicine (U.S.),1992     **LIFE** ,1940-10-21 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use     Directors and Their Films Brooks Bushnell,1993 This is the most comprehensive reference work available anywhere ever to 1 films and their directors and 2 directors and their films Part one is by director Each entry lists films years of release alternate titles and when appropriate the director s pseudonym Part two is a listing of over 108 000 films from A directed by Jan Lenica to Zyte from Rene Leprince giving a director for each
