Jerman, 2020-05-01 This is a comprehensive history of the world's midwinter gift givers showcasing the extreme diversity in their depictions as well as the many traits and functions these characters share It tracks the evolution of these figures from the tribal priests who presided over winter solstice celebrations thousands of years before the birth of Christ to Christian notables like St Martin and St Nicholas to a variety of secular figures who emerged throughout Europe following the Protestant Reformation Finally it explains how the popularity of a poem about a miniature sleigh and eight tiny reindeer helped consolidate the diverse European gift givers into an enduring tradition in which American children awake early on Christmas morning to see what Santa brought Although the names appearance attire and gift giving practices of the world's

winter solstice gift givers differ greatly they are all recognizable as Santa the personification of the Christmas and Midwinter festivals Despite efforts to eliminate him by groups as diverse as the Puritans of seventeenth century New England the Communist Party of the twentieth century Soviet Union and the government of Nazi Germany Santa has survived and prospered becoming one of the best known and most beloved figures in the world *Emergency Management 9-1-1* Grady B. Parks,2013-10-01 Now that you have read this book I hope it has brought you new meaning in becoming a better manager and leader You must learn to address issues more than once reinforce them more than twice and you will reap the rewards three times over You must be willing to invest the time required to learn the intricacies of your job Secondly you must learn to accept and respect the knowledge of others The person who has the fountain of knowledge must be identified praised and nurtured as an invaluable asset for your personal growth and development You should not be a clock watcher However you must learn to work smarter and not harder Always be cognizant of others shortcomings and faults Ask yourself these questions a What would you have done differently if the same set of circumstances were on your business plate b Would you have been more successful in handling the situation c Were you too critical in evaluating the results of the person making the decision Evaluating yourself and the circumstances will assist you in formulating a plan of action to address and resolve issues before they occur Successful supervisors managers and leaders know the importance of treating employees and customers with dignity honor and respect This is a sacred rule in building a team and fostering good human relations How many people do you know that are more satisfied with their working environment than their pay This individual will remain with a company because of his or her supervisors great people skills It is imperative that you consistently display authentic and humanistic concerns for your employees They are your keys to achieving success and without them you will become an army of none It would be wise to remember that threats do not produce long term changes but merely generate survivability skills **Her Name Is Mariah** Mima,2015-03-27 Mariah Nichols was adaptable She lived through her parents bitter divorce a childhood of neglect and the discovery that her only sibling was transgender so the concept of turning into a mortal vampire was just one more adjustment in an already chaotic life But when tragedy rips through Mariahs heart she realizes what it takes to survive in the world She must become like an animal and run on instincts not emotions or so she thought Her name is Mariah and this is her story Shannon McKenna's McCloud Brothers Bundle Shannon McKenna,2011-10-01 Behind Closed Doors Surveillance expert Seth Mackey knows everything about the woman that his millionaire boss toys with and tosses aside Her vulnerable beauty haunts him and her fresh innocence stirs a white hot passion that he can barely control Raine is pure temptation but Seth has something more important to take care of first He s convinced that his boss Victor Lazar is responsible for his half brother s murder He cannot put his secret investigation at risk but he can t stop wanting her craving her and soon he knows he can t let Victor have her For Raine may be Victor s next victim Standing in the Shadows Connor McCloud won t forget the day his friend Ed Riggs almost killed him It cost Connor what he wants most Ed s

daughter Erin He can't have her now but she still haunts him When an old enemy resurfaces Connor will do anything to protect her Out of Control Davy McCloud has one rule never follow blind impulse when it comes to women But he breaks it when Margo Vetter shows up The sexual hunger and the instinctual protectiveness she awakens are too strong to resist Edge of Midnight On the very day an arsonist burns down Liv Endicott's bookstore she finds another shock Sean McCloud He's still the man she's always wanted But wanting is not the same as trusting and she doesn't dare let him get close But a ruthless killer is gunning for Liv and she'll die unless they join forces to unearth a chilling truth and come together in a blaze of searing passion Extreme Danger Nobody's home when Becca Cantrell takes a midnight skinnydip and is hauled out by a guy with burning eyes He is the embodiment of her most intense fantasies And she's up for risky thrills Nick Ward can't tell Becca that he's spying on a vicious Russian crime boss She could be an assassin sent to kill him a call girl sent to distract him or worst of all a clueless innocent Anyway he looks at it she's trouble beautiful bare dripping wet trouble Ultimate Weapon Val Janos is all about undercover operations He is mysterious sinister and lethally hot Only Tamara can understand and match the intensity that drives him to win at all costs Val has one weak spot Imre the man who befriended him when he was a kid abandoned on the streets of Budapest But Val's worst enemy knows about Imre and his head is on the block if Val doesn't deliver Tam Fade to Midnight If the wrong person learned of Edie Parrish's gift her life would be in danger so she is good at keeping people away But when Kev Larson discovers who she is Edie's only choice is to trust him And soon Edie can't resist her consuming desire even though she knows she'll have to pay a price for it

### **Sublime Dreams of Living Machines**

Minsoo Kang, 2011-02-14 From the dawn of European civilization to the twentieth century the automaton better known today as the robot has captured the Western imagination and provided a vital lens into the nature of humanity Historian Minsoo Kang argues that to properly understand the human as machine and the human as fundamentally different from machine we must trace the origins of these ideas and examine how they were transformed by intellectual cultural and artistic appearances of the automaton throughout the history of the West Kang tracks the first appearance of the automaton in ancient myths through the medieval and Renaissance periods marks the proliferation of the automaton as a central intellectual concept in the Scientific Revolution and the subsequent backlash during the Enlightenment and details appearances in Romantic literature and the introduction of the living machine in the Industrial Age He concludes with a reflection on the destructive confrontation between humanity and machinery in the modern era and the reverberations of the humanity machinery theme today Sublime Dreams of Living Machines is an ambitious historical exploration and at heart an attempt to fully elucidate the rich and varied ways we have utilized our most uncanny creations to explore essential questions about ourselves

### **Deep Learning**

Stellan Ohlsson, 2011-01-31 Although the ability to retain process and project prior experience onto future situations is indispensable the human mind also possesses the ability to override experience and adapt to changing circumstances Cognitive scientist Stellan Ohlsson analyzes three types of deep non monotonic cognitive

change creative insight adaptation of cognitive skills by learning from errors and conversion from one belief to another incompatible belief For each topic Ohlsson summarizes past research re formulates the relevant research questions and proposes information processing mechanisms that answer those questions The three theories are based on the principles of redistribution of activation specialization of practical knowledge and re subsumption of declarative information Ohlsson develops the implications of those mechanisms by scaling their effects with respect to time complexity and social interaction The book ends with a unified theory of non monotonic cognitive change that captures the abstract properties that the three types of change share *Etiam Tu: Tak tse Profit, 2015-10-15* Etiam Tu Eradicating Hatred is the first installment in the Etiam Tu book series It is the initial explanation of the philosophy of Etiam Tu as it applies to mankind's most immediate threat to his continued existence Hatred This book seeks to affect change in its reader's perception of the actual circumstances that humanity shares It identifies the sources of the Hatred we are subjected to the motivations that create and maintain it and the numerous forms in which it is manifested Its goal is to alert its reader and raise their awareness by thoroughly exploring this multi faceted threat examining each form and humanity's role in maintaining their existence Ultimately educating each reader in an attempt to enlist their voluntary individual efforts to assist in Eradicating this evil from the collective human psyche once and for all forever
