

The background is a complex, layered collage. At the top, a person's bare torso is visible, with a bright, glowing light source on the left side. To the right, a full moon is superimposed over a dark, textured blue background. In the lower half, a face is depicted in shades of blue and purple, appearing to be submerged or floating. The overall aesthetic is ethereal and artistic.

Cooper, 2016-05-07 A good cop a good son a loyal partner none of this was enough to save Lachlan Graham's nerves when his entire world fell apart three years ago A former Seattle Police Officer Lachlan has spent the time since he left the force trying to piece his life together after being abandoned by his partner Detective Vector Clanahan But with a dead neighbor downstairs his carefully constructed solitude is soon to be invaded on all fronts Meanwhile Vector Clanahan's about to return to his old stomping grounds as the West Coast serial killer he's been tracking leads him right to his ex partner's front door A sister series to The BLOOD BONE Series **Vapor Trail (The Profane Series #2)** Lia Cooper, 2017-02-10 Dead men have

nothing but secrets Lachlan Graham is ready for his life to settle down now that he and his ex partner FBI Agent Vector Clanahan have caught the man who killed his neighbor But no sooner have the two returned to Seattle than more bad news arrives to upturn Lachlan's quiet existence He may have left the Seattle Police Department for good but it doesn't look like the life will leave him alone People die leaving behind their friends and family to pick up the mess made by their secrets in The Profane Series Book 2 Vapor Trail *A Sanguine Solution* Lia Cooper, 2018-02-18 How do you continue to get up in the morning when you can't look at yourself in the mirror Having returned to Seattle Ethan Ellison would say that he's trying to piece his life back together but who is he kidding There's no returning to life as he knew it not after Ali's revelation about their parentage Now Ethan's haunted by personal ghosts and plagued by increasingly temperamental magic For Patrick Clanahan returning to work should be easier than dealing with a mate who can't stand his touch But there's nothing easy about a series of murders that all point to vampire activity in a city where there are no vampires It's bringing back to mind the murder of his last partner slain by vampires a year before he met Ethan as though Pat didn't have enough to worry about Return to the world of Blood Bone's alternative supernatural Seattle where Ethan and Patrick are about to face their darkest inner demons and scratch the lid on a cover up bigger than either of them This novel picks up after the events of the original trilogy as well as Medium Rare The Profane Series 1 and Vapor Trail The Profane Series 2 *Coy Trick* Lia Cooper, Coming off a recent divorce Eric Hyer Masterson tries to find his muse as he prepares to ride out a bitter Palouse winter in peace and quiet Too bad his former lover isn't ready to let him go just yet *Cold Press* Lia Cooper, Despite what anyone says Jordan Kane is not lonely He's not Being alone is not the same as being lonely At least that's what he tells himself But it's hard to hold onto his more hermit like habits when Avery O Sullivan blows back into town The sweet if hapless writer is hardly prepared for Belleville's harsh winters and Jordan can't help inviting the other man into his home for the holidays Two strangers find happiness between a dozen cups of coffee and writer's block in this sweet M/M short romance A Palouse County Romance 1 featuring stories big and small from Eastern Washington This is a novelette approximately 50 pages long It contains minor language some adult themes and a romantic relationship between two men Current Catalog National
