high stakes game that cost him his life Koerner also links the JFK assassination and the drug trade with the other three major assassinations of the 1960s Malcolm X Martin Luther King and Robert F Kennedy We will see that all four of the assassinations are linked together all funded and executed by the CIA to silence the four most vocal leaders who were opposed to the agency's pro war and pro drug policy in Laos and Vietnam Finally Koerner examines the impact this has had on the course of history and imagines a world where these men had lived *Who Really Killed JFK, MLK, RFK?* Therlee Gipson, 2018-09-02 John F Kennedy JFK was assassinated because of his Civil Rights agenda to integrate public Schools which Supreme Court Ruled in 1954 that segregated Schools were unconstitutional Whites at that time believe mixing the Race are Communism to this day some White hate Communism because it give Blacks equal opportunity I believe Lee Harvey Oswald was the lone gunman and he probably was part of a conspiracy with some of the CIA FBI and Law enforcement in Dallas which allowed Oswald to assassinate JFK to stop integration of the Races Martin Luther King The FBI told MLK to stop his Civil Rights actions or their would be consequences King being against the War In Viet Nam divided his support of some Black Leaders who told him to stay with Civil Rights only and not get involved in Political and Foreign problems King ignored them all and sealed his fate in Memphis **The Radical Right and the Murder of John F. Kennedy** Harrison E. Livingstone, 2004 The Radical Right and the Murder of John F Kennedy Stunning Evidence in the Assassination of the President Harrison E Livingstone's major new book the fifth of his works on the death of JFK brings together for the first time all of the central evidence demonstrating a domestic Right Wing conspiracy rooted in Texas which assassinated the President on November 22 1963 The book represents forty years of work The book discusses in great detail the actual medical evidence and the forgery of the autopsy photographs and X rays which Mr Livingstone first exposed the alteration of the autopsy report the framing of the designated patsy Lee Harvey Oswald and the substitution and fabrication of every single piece of evidence It discusses the role played in the murder by some of the most powerful men in the country Lyndon Johnson J Edgar Hoover and Richard Nixon as well as the rich oil men and companies who backed them It then describes the cover ups by the media the major investigations over the years the FBI and the mind control cooperation at work in the case to misdirect researchers and the public The book describes in great detail the people and companies in Texas who planned and carried out the assassination It names names One recent investigation in the 90s followed Mr Livingstone's preceeding work and reinvestigated with the witnesses both he and the official investigations had talked to but this time took into consideration their documentation and what they had actually said and in a chapter this is his stunning new evidence from the U S government under President Clinton that is blowing the lid off the case Mr Livingstone first revealed to the Washington press corps in 1998 that there has been such a secret investigation and spoke for fifty minutes when the Assassination Records Review Board gave their final press conference As a result Mr Livingstone was on all major TV networks and on the Today show NBC with Katie Couric the next morning The book also contains the story of Dallas doctor Charles Crenshaw's law suit

and the depositions of the editor and writer of the Journal of American Medical Association who libeled him in articles in 1992 Dr Crenshaw's book about trying to save Kennedy at Parkland Hospital shortly after the shooting came out on the same day as Mr Livingstone's major work on the medical evidence High Treason 2 were JAMA's targets and the depositions contain much discussion of Mr Livingstone's major impact on the JFK case This new book is to be followed closely by a sixth book entirely about the Zapruder film called The Hoax of the Century Decoding the Forgery of the Zapruder Film *Women Who Kill Men* Gordon Morris Bakken, Brenda Farrington, 2009 The late nineteenth and early twentieth centuries were a revolutionary period in the lives of women and the shifting perceptions of women and their role in society were equally apparent in the courtroom *Women Who Kill Men* examines eighteen sensational cases of women on trial for murder from 1870 to 1958 The fascinating details of these murder trials documented in court records and embellished newspaper coverage mirrored the changing public image of women Although murder was clearly outside the norm for standard female behavior most women and their attorneys relied on gendered stereotypes and language to create their defense and sometimes to leverage their status in a patriarchal system Those who could successfully dress and act the part of the victim were most often able to win the sympathies of the jury Gender mattered And though the norms shifted over time the press attorneys and juries were all informed by contemporary gender stereotypes Who Really Killed JFK? Therlee Gipson, 2018-09-03 Warren Commission of 1963 1964 concluded that the President was assassinated by Lee Harvey Oswald acting alone and that Jack Ruby acted alone when he killed Oswald before he could stand Trial These conclusions were initially supported by the American public however polls conducted from 1966 to 2004 found that as many as 80 percent of Americans have suspected that there was a plot or cover up Contrary to the Warren Commission the United States House Select Committee on Assassinations HSCA in 1979 concluded that President John F Kennedy was probably assassinated as a result of a conspiracy The HSCA found both the original FBI investigation and the Warren Commission Report to be seriously flawed While agreeing with the Commission that Oswald fired all the shots which caused the wounds to Kennedy and Governor Connally it stated that there were at least four shots fired and that there was a high probability that two gunmen fired at the President **The Four Guns** John Koerner, 2024-10-29 What would our country be today if Abraham Lincoln James Garfield William McKinley and John F Kennedy had survived their assassinations Would this country and the world we live in today be better or worse What if Lincoln and McKinley had lived through their second terms What if Garfield and Kennedy had completed their four years in office and gone on to get reelected *The Four Guns* has three purposes First to explain the circumstances surrounding the four assassinations and examine any evidence for possible conspiracy The second is to trace the history of the four assassination weapons readers will learn the types of firearms used how the assassins acquired them and where they are now most of this information has never been written about or made public The third purpose is to examine how American history would have changed if the presidents had survived their assassinations and to

**Who Really Killed Kennedy?** Robert Ries, 2017-10-16 In this exciting new book the author lays the groundwork for establishing the conspiracy to assassinate President Kennedy by providing critical details regarding the election of Jack Kennedy and how his subsequent actions in office so offended a number of powerful men and agencies that they then had the motive to plan and carry out his assassination Through careful examination of evidence including the Warren Commission Report itself the author lays out the details of the assassination Paying close attention to the weapon supposedly used by Lee Oswald Oswalds actual movements the wounds that Kennedy suffered and statements provided by witnesses the author establishes that Lee Harvey Oswald did not kill President Kennedy and that Kennedy suffered a minimum of three wounds from a minimum of three bullets coming from three different directions thus a conspiracy This book then moves to its critical juncture where it points out the Warren Commission Report omissions unsubstantiated conclusions and conclusions in direct contradiction with the very evidence it collected From the evidence the author then constructs his complete scenario of how the assassination occurred and who perpetrated it He then explains how Lyndon Johnson and J Edgar Hoover could manipulate and control the Warren Commission to report that Lee Harvey Oswald assassinated President Kennedy He concludes his book with a provocative proposal to conduct a new investigation exhume President Kennedys body and firmly establish the truth of the conspiracy beyond all reasonable doubt Read this book and learn the truth about how the American
