Gökhan BARAL, 2020-02-28 *Focused Operations Management for Health Services Organizations* Boaz Ronen, Joseph S. Pliskin, Shimeon Pass, 2012-06-28 Focused Operations Management for Health Services Organizations offers managers and staff the practical knowledge and tools they need to accomplish much more within existing resources This text identifies common bottlenecks and constraints and focuses on the critical issues and processes faced by managers in the health care field The book provides tools to significantly improve organizational operations as well as enhance quality and customer satisfaction without increasing the use of physical human and financial resources *Capital Structure and Corporate Financing Decisions* H. Kent Baker, Gerald S. Martin, 2011-05-03 A comprehensive guide to making better capital

structure and corporate financing decisions in today's dynamic business environment. Given the dramatic changes that have recently occurred in the economy, the topic of capital structure and corporate financing decisions is critically important. The fact is that firms need to constantly revisit their portfolio of debt, equity, and hybrid securities to finance assets, operations, and future growth. *Capital Structure and Corporate Financing Decisions* provides an in-depth examination of critical capital structure topics, including discussions of basic capital structure components, key theories, and practices, and practical application in an increasingly complex corporate world. Throughout the book, it emphasizes how a sound capital structure simultaneously minimizes the firm's cost of capital and maximizes the value to shareholders. It offers a strategic focus that allows you to understand how financing decisions relate to a firm's overall corporate policy. Consists of contributed chapters from both academics and experienced professionals offering a variety of perspectives and a rich interplay of ideas. Contains information from survey research describing actual financial practices of firms. This valuable resource takes a practical approach to capital structure by discussing why various theories make sense and how firms use them to solve problems and create wealth. In the wake of the recent financial crisis, the insights found here are essential to excelling in today's volatile business environment. *The Cumulative Book Index*, 1995. A world list of books in the English language.
