Will Oldham On Bonnie Prince Billy:

Bonnie 'Prince' Billy por Will Oldham Alan Licht, 2012-11 *Will Oldham on Bonnie 'Prince' Billy* Alan Licht, Will Oldham, 2012-04-03 W Sweeney called me and said that Johnny Cash just recorded I See A Darkness We had a Bowery Ballroom show a week or two later and he invited Rick Rubin to come to the show he came to the show and asked if I wanted to play piano on the song A Which you agreed to do despite not knowing how to play piano W Yes A man who acts under the name Will Oldham and a singer songwriter who performs under the name Bonnie Prince Billy has over the past quarter of a century made an idiosyncratic journey through and an indelible mark on the worlds of indie rock and independent cinema intersecting with such disparate figures as Johnny Cash Bj rk James Earl Jones and R Kelly along the way These conversations with longtime friend and associate Alan Licht probe his highly individualistic approach to music making and the music industry one that cherishes notions of intimacy community mystery and spontaneity *Songs of Love and Horror: Collected Lyrics of Will Oldham* Will Oldham, 2018-10-09 The definitive collection of lyrics from three decades of songwriting As a performer songwriter and actor Will Oldham has carved a singular path through the worlds of indie folk and cinema Now the critically acclaimed enigmatic artist presents his life s work the lyrics to more than two hundred songs spanning the 1980s to the present each with annotations that impart new meaning to his music Oldham s aphoristic meditations on death patience and turning carelessness into a virtue are like his lyrics profound earthy and often funny They reveal flashes of Oldham s philosophy the sources and circumstances that inspired his lyrics and the literary ambition of his songwriting Separated from their aural form Oldham s lyrics become a new kind of poetry candid awkward and wise with influences as diverse as Rabindranath Tagore and The Mekons A book that will delight his longtime fans and inspire young songwriters *Songs of Love and Horror* reveals an artist who has captured extraordinary poetry in music despite being a stranger among my own language **It's Going to be a Bright New Day** Max Porter, 2020 It s Going to be a Bright New Day Would You Rather with Bonnie Prince Billy is Max Porter asking Will Oldham questions Will Oldham has to say whether he would rather one thing or another Many topics are covered including music sex cuisine literature and travel Some people believe that the Would You Rather format is better suited to a long car journey than a pamphlet but we disagree It works just fine on the page More than that it s very interesting and occasionally profound Punk Aesthetics and New Folk John Encarnacao, 2016-04-15 Joanna Newsom Will Oldham a k a Bonnie Prince Billy and Devendra Banhart are perhaps the best known of a generation of independent artists who use elements of folk music in contexts that are far from traditional These and other so called new folk artists challenge our notions of finished product through their recordings intrinsically guided by practices and rhetoric inherited from punk This book traces a fractured trajectory that includes Harry Smith s Anthology of American Folk Music Bob Dylan psych folk of the sixties from Vashti Bunyan to John Fahey lo fi and outsider recordings from Captain Beefheart and The Residents to Jandek Daniel Johnston and Smog and recent experimental folk Animal Collective Six

Organs of Admittance Charalambides to contextualise the first substantial consideration of new folk In the process Encarnacao reviews the literature on folk and punk to argue that tropes of authenticity though constructions carry considerable power in the creation and reception of recorded works New approaches to music require new analytical tools and through the analysis of some 50 albums Encarnacao introduces the categories of labyrinth immersive and montage forms This book makes a compelling argument for a reconsideration of popular music history that highlights the eternal compulsion for spontaneous imperfect and performative recorded artefacts

Harry Smith's Anthology of American Folk Music Ross Hair,Thomas Ruys Smith,2016-12-08 Released in 1952 The Anthology of American Folk Music was the singular vision of the enigmatic artist musicologist and collector Harry Smith 1923 1991 A collection of eighty four commercial recordings of American vernacular and folk music originally issued between 1927 and 1932 the Anthology featured an eclectic and idiosyncratic mixture of blues and hillbilly songs ballads old and new dance music gospel and numerous other performances less easy to classify Where previous collections of folk music both printed
