No Ghosts Need Apply Dan Andriacco, 2021-09-28 A ghost story becomes a matter of murder The world is big enough for us Sherlock Holmes once told Dr Watson No ghosts need apply But amateur sleuth Sebastian McCabe and his chronicler Jeff Cody don't have a choice when a popular TV reality show comes to Erin Ohio to record a Halloween special about the entity disturbing a local gastropub known as The Speakeasy Jackie O'Brien was a bootlegger and speakeasy owner gunned down in 1920 Ever since his unquiet spirit has been said to haunt the building where it happened one which after many transformations over the years is once again a speakeasy of sorts There may be skeptics but Erin's exorcist is not among them Nor is Sebastian McCabe who has been up close and personal with the ghost Both are among those interviewed by Stuart Diamond specialist in the strange who has come to town along with Chef Stephen Lipinski and his producer wife to record the episode of the show Dining Way Out What was expected to be some fun publicity for the gastropub turns into a nightmare after someone is shot to death one night in the same place and in the same way as Jackie O'Brien almost exactly 100 years earlier Police Chief Oscar Hummel recognizes this as Mac's kind of case but Mac and Jeff are forced to become virtual sleuths most of the time when the restaurant and many other businesses are shut down because of the COVID 19 pandemic Before he solves the murder and a second homicide Mac makes an embarrassing blunder in one lesser case and scores a great triumph in another

**New World's Coming**, *Woman City* Sidi Benzahra, 2003-04-13 Woman City is a city where children would

play and never have to worry about being kidnapped molested or killed Where men would not be needed and would not be found Where all the laws that had been established by men would fall and crumble and where the laws that would be ordained by free women would stand Where the philosophies that regarded men with favor would be discredited and where new philosophies would come hand in hand Where a woman would take back her body and do whatever she wanted to do with it and where the souls of innocent women that had been raped killed and thrown in the woods to rot or kicked in the stomach so that they could lose their babies would cry to the sky would take back the night would take back the body and take back the soul

**Prose Kills** John Briggs,2020-03-16 Contrary to Plato s teaching we need poets not this Quarrel of Philosopher Kings arguing over who owns what It was God s poetic speech the Let there be that created from nothing the very world philosopher kings fuss over It was the poetic speech of Jesus that fed the masses with a couple of fish and a bit of bread It was his poetry in the beatitudes and parables that opened our eyes to the fat world And it was his death on the cross that opened a way between our transactional skinny world and his transformational fat one The poems in this

book chronicle one man's journey between these worlds This journey is not the easy transactional one prose natters on about Just say and do this or that and you will be saved This journey requires us to let go of the landmarks that guided us through the skinny world and to have the faith to embrace the fat one The trip is dangerous frightening and requires the poet in us to rise and cry I too create But this journey is also crucial to becoming fully human and thereby the Friends of God rather than just his followers
