## **No Greater Sacrifice English Edition:**

**No Greater Sacrifice** Armando L. Garcia, 2010-03-23 This story proves that there is such a thing as the American Dream It is about a mother Dolores L Garcia a courageous lady who believed in herself and her children It is also the story of a five year old boy who under her guidance began selling limes in a street corner in Laredo Texas and became very successful in the meat industry and in real estate Their beginning was no different than many others in the predominantly Hispanic community However most families were so busy making ends meet that they couldn't get out of the vicious cycle they found themselves in Luckily Dolores had a three part formula to succeed work hard plan for the future never let go of your dreams This plan gave a five year old boy great success Dolores became a widow when she was thirty years old She had ten children including a set of twins in ages from newborn to a 13 year old Because her husband was a good provider to her and her children Dolores led a very sheltered life Because her husband did most of the shopping she did not even know how to buy groceries She lived in government assisted housing and worked two jobs from 6 00 to midnight to make ends meet Within five years she bought a house and a car The spirit and strengths she possessed she passed to her seven daughters and her two year old son the author of this book All of her children became successful and they utilized their God given gifts They applied all the guidance and life lessons that their mother passed on to them This is a story that will affect every reader and help them cope in facing adversity **The English Version of the Polyglott Bible**, 1828 Padma Purana Uttara

poems contained in this book were all written at key points in my life In essence each poem served as a source of inspiration to get me through dark times and remind me of my dependency on the grace of God Each piece included in this book focuses on salvation and who you are in God You may notice that some of these pieces have a unique flow and structure that one would normally associate with lyrics to a song and such pieces can be converted to contemporary Gospel songs Because of the connection between these poems and my heart I feel these are my most personal work This book is the first of more to come I hope that in reading these short pieces you too can be inspired to believe I believe these poems will inspire you no matter where you may find yourself in life as they will serve to remind you that you are somebody because God values you The greatest message God ever proclaimed to humanity was through the sacrifice of His Son Jesus through His death upon the cross We live in a world that does not value human dignity a world that treats people as if they are commodities But I hope to introduce you through these writings to a higher love It is my desire that you learn to see yourself through the eyes of God rather than through the eyes of the world Remember better is not good enough The best is yet to come The Family Expositor; Or, A Paraphrase and Version of the New Testament; with Critical Notes ... by Philip Doddridge, D.D.
