spells and written spells passed down to and developed by the author      Curse Tablets and Binding Spells from the Ancient  
World John G. Gager,1999-10-28 In the ancient Greco Roman world it was common practice to curse or bind an enemy or  
rival by writing an incantation on a tablet and dedicating it to a god or spirit These curses or binding spells commonly called  
defixiones were intended to bring other people under the power and control of those who commissioned them More than a

Saval,2015-12-07 Hate malice rage and enmity what would Shakespeare s plays be without these demonic unruly passions  
This book studies how the tirades and unrestrained villainy of Shakespeare s art explode the decorum and safety of our  
sanitized lives and challenge the limits of our selfhood Everyone knows Shakespeare to be the exemplary poet of love but  
how many celebrate his clarifying expressions of hatred How many of us do not at some time feel that we have come away  
from his plays transformed by hate and washed clean by savage indignation Saval fills the great gap in the interpretation of  
Shakespeare s unsocial feelings The book asserts that emotions as Aristotle claims in the Rhetoric are connected to  
judgments Under such a view hatred and rage in Shakespeare cease to be a blinding of judgment or a loss of reason but  
become claims upon the world that can be evaluated and interpreted The literary criticism of anger and hate provides an

alternative vision of the experience of Shakespeare's theater as an intensification of human experience that takes us far beyond criticism's traditional contexts of character culture and ethics The volume which is alive to the judgmental character of emotions transforms the way we see the rancorous passions and the disorderly and disobedient demands of anger and hatred Above all it reminds us why Shakespeare is the exemplary creator of that rare yet pleasurable thing a good hater
