The Sea Of Galilee Boat Shelley Wachsmann,2000-07-13 This remarkable true story recounts one of the great discoveries of the century finding a 2000 year old boat from the Sea of Galilee Shelley Wachsmann a respected nautical archaeologist shares the joy and drama he felt in discovering and excavating the first ancient boat from this biblical location Through his perceptive eyes we experience the adventure of a lifetime as he offers his personal account of first setting eyes on and then preserving this unique treasure Wachsmann is a master storyteller interweaving his own unforgettable story of this challenging excavation with the writings of the past Jews and Christians alike will be captivated by his search for the boat s identity Wachsmann like a detective hunts down clues that will reveal the boat s actual history Since the boat turns out to be a 2000 year old craft he carefully examines the Gospels for passages that will shed light on this wondrous vessel This ever curious author also traces Jewish historical texts to discover that the Sea of Galilee during the boat s vibrant past was the setting for one of the most tragic massacres of Jews the Battle of Migdal During this sea battle we learn Roman soldiers mercilessly slaughtered Jews as they attempted to escape in boats like this one turning the Sea of Galilee into a sea of crimson The saga of tenderly extracting this extraordinary boat from the earth protecting its timbers and restoring it to health is a compelling tale on its own Wachsmann impresses us with the dedication and creativity of his makeshift team in improvising answers to the seemingly impossible logistic problems that dog them every step of the way Still generosity abounds and actual rainbows appear as scores of volunteers pull together to save this singular monument of the past Wachsmann punctuates the absorbing details of preserving this artifact with the rich history that surrounds the Sea of Galilee making this a uniquely enduring and personal work

Marc. Merrill,2012-06 From Chapter 5 By a quirk of fate says Darcie Conner Johnston the eruption of Mt Vesuvius in 79 AD caught Pompeii at a time of great spiritual change As a gateway south and east to Greece and Egypt and the Eurasian landmass beyond the city was heir to a panoply of faiths A host of foreign gods had begun to usurp the positions of the venerable Olympian deities and the imperial Roman pantheon Christians were likely to have been here as well though the evidence of their presence is sketchy Page 71 of Pompeii The Vanished City Besides the evidence that has already been presented more remains to demonstrate that once again the accepted historical point of view is incorrect For example This second volume of Building Bridges of Time Places and People presents the overwhelming evidence that some of

the most prominent leaders of the New Testament Church left the lands of Judea and Galilee when war between Rome and the Jews seemed certain and they settled in Pompeii and Herculaneum These leaders included Simon Peter Paul Luke and John Mark the author of The Gospel of Mark They were accompanied by converts such as Cornelius the centurion who was the first Gentile to be baptized and by the mother of Christ This volume also investigates the town of Sepphoris in Galilee and makes a compelling case for the claim that the Messiah of the New Testament grew up there rather than in Nazareth his identity hidden until he began his ministry at the age of 30

The Godman and the Sea Michael J.

Thate, 2019-10-04 If scholars no longer necessarily find the essence and origins of what came to be known as Christianity in the personality of a historical figure known as Jesus of Nazareth it nevertheless remains the case that the study of early Christianity is dominated by an assumption of the force of Jesus s personality on divergent communities In The Godman and the Sea Michael J Thate shifts the terms of this study by focusing on the Gospel of Mark which ends when Mary Magdalene Mary the mother of James and Salome discover a few days after the crucifixion that Jesus s tomb has been opened but the corpse is not there Unlike the other gospels Mark does not include the resurrection portraying instead loss puzzlement and despair in the face of the empty tomb Reading Mark s Gospel as an exemplary text Thate examines what he considers to be retellings of other traumatic experiences the stories of Jesus s exorcising demons out of a man and into a herd of swine his

stilling of the storm and his walking on the water Drawing widely on a diverse set of resources that include the canon of western fiction classical literature the psychological study of trauma phenomenological philosophy the new materialism psychoanalytic theory poststructural philosophy and Hebrew Bible scholarship as well as the expected catalog of New Testament tools of biblical criticism in general and Markan scholarship in particular *The Godman and the Sea* is an experimental reading of the Gospel of Mark and the social force of the sea within its traumatized world More fundamentally however it attempts to position this reading as a story of trauma ecstasy and what has become through the ruins of past pain

What Was Jesus Thinking? Frank R. Stirk, 2023-06-13 No one could ever get fully inside the mind of Jesus but we can gain important insights through a better understanding of the contexts in which he spoke and acted For example with whom was he speaking and interacting in that moment Where did this take place How can the events of the history of the period in general and the many new and often unexpected archaeological discoveries in particular from the time of Jesus enhance our understanding of what he was thinking And what light can the answers to these and related questions shed on what we already know about Jesus from the Four Gospels This book attempts to provide some answers to these questions with the intent of leading the reader toward a deeper understanding of his wholly human yet wholly divine character This in turn will hopefully create a deeper and more grounded faith

The Radical Jesus, the Bible, and the Great Transformation

Douglas E. Oakman, 2021-01-25 *The Radical Jesus* offers a companion to the author's previous article collection *Jesus and the Peasants* Even more than in *Jesus and the Peasants* these eleven chapters sharpen the focus on the political economic meaning of Jesus then and the deeper values embodied in him that perhaps are still pertinent for now Part One considers his activities and aims within the political economy of first century Galilee Part Two offers perspectives on the critical hermeneutical task of linking the values of Jesus and the Bible to a world that has undergone what Karl Polanyi called the Great Transformation Polanyi argued persuasively in his 1944 book that economy in the pre industrial age was embedded in social relations and served necessary social purposes while society after the Great Transformation became embedded within market capitalist economy to the detriment of social relations This book finds in sustained critical dialog with the Radical Jesus another transforming force and a guiding light toward a more humane economy and society that will serve human need rather than selfish greed

Blood and Silk Carol McKay, 2010-10-26 FASCINATING NOVEL EXPLORES JESUS AND MARY'S CONTROVERSIAL BOND THROUGH THE LENSES OF CULTURAL SOCIAL POLITICAL AND HISTORICAL CONTEXTS

Mary Magdalene and Jesus of Nazareth's mysterious legendary connection can only be realized by revisiting their story through its Greco Roman Mediterranean cultural context Early theologians censored details about theater literature dress cuisine wedding rituals glass manufacturing silk trade politics and architecture of Mary Magdalene's time when they did not fit dogma and doctrine Cultural Historian Carol Aldenhoven McKay retrieves these lost frameworks as the story line follows McKay's meticulous reconstruction of a formerly forgotten way of life *Blood and Silk* The Hidden Love Story of Mary

Magdalene and Jesus of Nazareth is a novel fifteen years in the making **The Political Aims of Jesus** Douglas E. Oakman, 2012 Amid competing portrayals of the cynic Jesus the peasant Jesus and the apocalyptic Jesus the political Jesus remains a marginal figure Oakman argues that advances in our understanding of the political economy of Roman Galilee warrant a revival of Reimarus's understanding of Jesus as an instigator of revolutionary change **Hope** Lichner Milos, 2021-06-14 In our times hope is called into question The disintegration of economic systems of states and societies families friendships distrust in political structures forces us to ask if hope has disappeared from the experience of today's men and women In August 2019 up to 240 participants met at the international theological congress in Bratislava Slovakia The main lectures congress sections and workshops aimed to provide a space for thinking about the central theme of hope in relation to philosophy politics pedagogy social work charity interreligious dialogue and ecumenism *Herod's Judaea* Samuel Rocca, 2015-03-30 Samuel Rocca born in 1968 earned his PhD in 2006 Since 2000 he worked as a college and high school teacher at The Neri Bloomfield College of Design at the Talpiot College Tel Aviv since 2005 and at the Faculty of Architecture at the Judaea and Samaria College Ariel since 2006 **Without Death There is No Resurrection** Dr. Octavian Caius Obeada, *Without Death There Is No Resurrection* Did Jesus Die embarks on a deep and sweeping exploration into one of the most significant inquiries at the heart of Christian faith the historical and physical reality of Jesus of Nazareth's death by crucifixion This investigation is not confined to the realm of academic curiosity it strikes at the core of Christian theological understanding engaging with themes that are central to Christian doctrine and the believer's faith experience sacrifice redemption and the hope of resurrection Through a rigorous amalgamation of historical research archaeological findings theological insight and medical analysis the book offers a multidimensional approach to understanding an event that has shaped the contours of history and faith in profound ways WHERE IS THE PAPERBACK AVAILABLE <https://amzn.to/3RhjdNX>
