## **The Second Wife:**

The Second Wife Munshi Premchand, 2018-10-16 Charming and cultivated Nirmala's only sin is her failure to get a husband who would accept her without a dowry. She is married off to a widower. Commercio, 2022-12-06 During Soviet rule the state all but imposed atheism on the primarily Islamic people of Kyrgyzstan and limited the tradition of polygyny a form of polygamy in which one man has multiple wives Polygyny did continue under communism though chiefly under concealment In the decades since the fall of the Soviet Union the practice has reemerged Based on extensive fieldwork Polygynous Marriages among the Kyrgyz argues that this marriage practice has become socially acceptable and widely dispersed not only because it is rooted in customary law and Islamic practice but because it can also enable men and women to meet societal expectations and solve practical economic problems that resulted from the

fall of the Soviet Union Michele E Commercio's analysis suggests the normalization of polygyny among the Kyrgyz in contemporary Kyrgyzstan is due both to institutional change in the form of altered governmental rules and expectations and to institutional endurance in the form of persistent hegemonic constructions of gender **The Second Wife** E.
