The Scottish myth of the selkie a seal that can transform into human form inspires a tale of life on the margins forgiveness and redemption The Guardian Donald a young fisherman is overwhelmed when he comes across a group of exotic women dancing on the shore beneath the moonlight They are selkies seals that shed their skin once a year and become human for a few hours Overcome by their beauty and magic Donald kidnaps one a choice that will determine his future Now back home in his close knit Scottish village he must take responsibility for what he has done Donald has been bullied and isolated all his life but thanks to his mother and his stolen selkie wife he finds the courage to question then change the culture of the town that has been mired in the past for generations Yet despite their mutual happiness he can never truly forgive himself for the thoughtless act that brought his wife to him This enchanting story works its way to a surprising yet satisfying ending Based on a beloved Scottish legend Sealskin is a timeless tale of the responsibilities of love and the inner strength required to atone for terrible wrongs A haunting tale of family and consequences The writing is sorrowful and lovely with a well earned satisfying conclusion Publishers Weekly starred review A powerful tale of love learning and forgiveness Sealskin is a bold and moving read that I was sad to put down The Bookbag Well written and atmospheric Bristow paints a vivid setting and knows how to tug on the heartstrings Fantasy Literature [The Little Selkie](#) K. M. Shea, 2015-12-14 Dylan a selkie makes a terrible mistake when she brashly chases an evil sea witch onto land Captured and stripped of her pelt leaving her unable to return to the sea in her sea lion body Dylan s only chance of survival is to serve as the sea witch s tool Instead of allowing the sea witch to use her selkie ability to control water Dylan asks a wandering enchantress to seal her voice rendering her unable to use her selkie magic Stranded with no allies and no way to contact her family Dylan fears she will never successfully steal her pelt back Luckily Dylan is not alone She is befriended by Prince Callan a kind human prince whose country is being pulverized by the sea witch Combining the strength of humans and the intelligence of the selkies the pair unites to save their people But when the storm is over will Dylan choose to stay with Callan or return to the sea and leave him behind forever
