The Sex Lives Of Australians

Lisa Featherstone

The Sex Lives Of Australians:

The Sex Lives of Australians Frank Bongiorno, 2012 Cross dressing convicts effeminate bushrangers and women shortage woes here is the first ever history of sex in Australia from Botany Bay to the present day In this highly readable social history Frank Bongiorno uses vivid examples to chart the changing sex lives of Australians He shows how a predominantly male penal colony gave rise to a rough and ready culture the scarcity of women made for strange bedfellows and the female minority was both powerful and vulnerable Then came the Victorian era in which fears of sodomy helped bring an end to the transportation of convicts Tracing the story all the way to the present Bongiorno shows how the quest for respectability always has another side to it and how the contraceptive pill changed so much Along the way he deals with some intriguing questions were the Kelly gang gay why did the law ignore lesbianism for so long and introduces some remarkable characters both reformers and radicals This is the thought provoking story of sex in Australia With a foreword by Michael Kirby AC CMG A great book a compound of wit and tragedy as you d expect from the subject matter plus wide learning and common sense Alan Atkinson author of *The Europeans in Australia*

The Sex Lives of Australians Frank Bongiorno, 2013-04 Cross dressing convicts effeminate bushrangers and women shortage woes here is the first ever history of sex in Australia from Botany Bay to the present day In this highly readable social history Frank Bongiorno uses vivid examples to chart the changing sex lives of Australians He shows how a predominantly male penal colony gave rise to a rough and ready culture the scarcity of women made for strange bedfellows and the female minority was both powerful and vulnerable Then came the Victorian era in which fears of sodomy helped bring an end to the transportation of convicts Tracing the story all the way to the present Bongiorno shows how the quest for respectability always has another side to it and how the contraceptive pill changed so much Along the way he deals with some intriguing questions were the Kelly gang gay why did the law ignore lesbianism for so long and introduces some remarkable characters both reformers and radicals This is the thought provoking story of sex in Australia

Sex Lives of Australian Teenagers Joan Sauers, 2007 Ground breaking and controversial an Australian Kinsey for teenagers Are teenagers more sexually active than they were ten years ago How many teenagers have sex because of peer group pressure How often do they regret having sex What do they think of sex education Adults make a lot of assumptions about what teenagers do and how they feel but really have no idea In early 2006 Joan Sauers conducted an anonymous online survey to find out Teenagers from around Australia responded talking openly and honestly about issues such as intimacy and relationships masturbation and sexual fantasies sexual texting and chat room liaisons sexual orientation and coming out contraception and protection against STIs pornography and the media and coercion and sexual violence *Sex Lives of Australian Teenagers* presents over a hundred of their responses in their original unedited form some of them funny and poignant others startling and disturbing Sauers analysis of the survey responses is compassionate and non judgemental she believes teenagers can only develop healthy sexual attitudes when they are able to speak freely about their sexual

experiences and learn about the experiences of others This ground breaking study is sure to create controversy but Sauers hopes it will also stimulate dialogue A resource section is included to help teenagers and their parents find information and support This book is desperately needed by parents teachers psychologists and counsellors but most of all by teenagers themselves **A History of Abortion and Contraception in Queensland, Australia, 1960-1989** Cassandra

Byrnes,2024-06-03 This book looks at the recent history of sex contraception and abortion in Australia s most conservative state Queensland In western nations there has largely been a consistent increase in available contraception and access to abortion from the 1960s onwards yet there are a few geographical exceptions that resisted this trend including Queensland Cassandra Byrnes highlights the multifarious ways sexuality and reproduction were continually constructed and challenged during the second half of the twentieth century and follows the responses of key groups to changing laws and attitudes in a time of local and global sexual and social revolutions She explores interactions between identities of gender sexuality class age marital status and geography to illustrate how specific sexed bodies became liminal sites for legal and medical debate This Queensland case study is contextualised within international debates concerning women s reproductive rights and will be of interest to students and scholars interested in the history of reproductive rights gender and sexuality Sexual Violence in Australia, 1970s-1980s Lisa Featherstone,2021-07-28 This book explores sexual violence and crime in Australia in the 1970s and 1980s a period of intense social and legal change Driven by the sexual revolutions second wave feminism and ideas of the rights of the child there was a new public interest in the sexual assault of women and children Sexual abuse was studied surveyed and discussed more than ever before in Australian society Yet despite this there remained substantial inaction by government from community and on the part of individuals This book examines several difficult questions of our recent history why did Australia not act more firmly to eradicate rape and child sexual abuse What prevented our culture from looking seriously at trauma How did we fail to protect victim survivors Rich in social and legal history this study takes readers into the world of victims of sexual crime and into the wider community that had to deal with sexual violence At the core of this book is the question that resonates deeply right now why does sexual violence appear seemingly insurmountable despite significant change *A Concise History of Australia* Stuart Macintyre,2020-08-03 Macintyre revisits *A Concise History of Australia* to provoke readers to reconsider Australia s past and its relationship to the present *The Europeans in Australia* Alan Atkinson,2014-09-01 This is the third and final volume of the landmark award winning series *The Europeans in Australia* that gives an account of settlement by Britain It tells of the various ways in which that experience shaped imagination and belief among the settler people from the eighteenth century to the end of World War I Volume Three *Nation* tells the story of Australian Federation and the war with a focus as ever on ordinary habits of thought and feeling In this period for the first time the settler people began to grasp the vastness of the continent and to think of it as their own There was a massive funding of education and the intellectual reach of men and women was suddenly expanded to an extent that

seemed dazzling to many at the time Women began to shape public imagination as they had not done before At the same time the worship of mere ideas had its victims most obviously the Aboriginal people and the war itself proved what vast tragedies it could unleash The culmination of an extraordinary career in the writing and teaching of Australian history The Europeans in Australia grapples with the Australian historical experience as a whole from the point of view of the settlers from Europe Ambitious and unique it is the first such large single author account since Manning Clark's A History of Australia

Australians and the First World War Kate Ariotti, James E. Bennett, 2017-08-11 This book contributes to the global turn in First World War studies by exploring Australians' engagements with the conflict across varied boundaries and by situating Australian voices and perspectives within broader more complex contexts This diverse and multifaceted collection includes chapters on the composition and contribution of the Australian Imperial Force the experiences of prisoners of war nurses and Red Cross workers the resonances of overseas events for Australians at home and the cultural legacies of the war through remembrance and representation The local global framework provides a fresh lens through which to view Australian connections with the Great War demonstrating that there is still much to be said about this cataclysmic event in modern history

Sex, Soldiers and the South Pacific, 1939-45 Yorick Smaal, 2015-08-04 Sex Soldiers and the South Pacific 1939-45 explores the queer dynamics of war across Australia and forward bases in the south seas It examines relationships involving Allied servicemen civilians and between the legal and medical fraternities that sought to regulate and contain expressions of homosexuality in and out of the forces

Selling Sex Raelene Frances, 2007 Provides a history of prostitution in Australia from before European colonisation and situates this history within an international context of labour migration and policy formation This work draws on archival research and interviews to chart the ways in which prostitution contributed to women's economic survival and to colonisation

A New History of the Irish in Australia Dianne Hall, Elizabeth Malcolm, 2018-11-01 Irish immigrants although despised as inferior on racial and religious grounds and feared as a threat to national security were one of modern Australia's most influential founding peoples In his landmark 1986 book *The Irish in Australia* Patrick O'Farrell argued that the Irish were central to the evolution of Australia's national character through their refusal to accept a British identity *A New History of the Irish in Australia* takes a fresh approach It draws on source materials not used until now and focuses on topics previously neglected such as race stereotypes gender popular culture employment discrimination immigration restriction eugenics crime and mental health This important book also considers the Irish in Australia within the worldwide Irish diaspora Elizabeth Malcolm and Dianne Hall reveal what Irish Australians shared with Irish communities elsewhere while reminding us that the Irish Australian experience was and is unique A necessary corrective to the false unity of the term Anglo-Celtic this beautifully controlled and clear-sighted intervention is timely and welcome It gives us not just a history of the Irish in Australia but a skilful account of how identity is formed relationally often through sectarian class ethnic and racial divisions A masterful book Professor R. n. n. McDonald University of Melbourne

Little History of the Australian Labor Party Nick Dyrenfurth, Frank Bongiorno, 2024-05-01 Acclaimed historians Nick Dyrenfurth and Frank Bongiorno tell the story of the Australian Labor Party's rich history of more than 130 years and examine its central role in modern Australia. The Australian Labor Party is one of the oldest labour parties in the world and the first to form a government. From the prime ministerships of Watson and Fisher to the tragedies of Hughes and Scullin through the 1940s legends Curtin and Chifley to governments of Whitlam, Hawke, Keating, Rudd and Gillard. A Little History of the Australian Labor Party recounts times of triumph and failure as well as resilience. This updated edition examines Labor's recent performance in state and territory politics and takes the national story up to the Albanese government. Informative and insightful, the authors shrewdly marshal the key events, policies and personalities in Labor's long and lively history to tell the compelling story of the party that has shaped Australia more than any other. I enjoyed it immensely. Troy Bramston. The history of Australia's Labor Party is the story of how ordinary men and women dreamed, organised, argued and raged to form a political movement that has weathered wars, depressions, financial crises, bitter splits, rivalries and betrayals, and yet forged great alliances to shape this country into a good and safe place to live. The story of Labor is the story of a nation that was not born on a distant battlefield but in the homes and workplaces, pubs and halls where people gathered to make the world better. This enthralling, questing book is not just great Labor history; it is great Australian history. Janet McCalman. **Australian Soldiers in South Africa and Vietnam** Effie Karageorgos, 2017-09-21. The South African and Vietnam Wars provoked dramatically different reactions in Australians, from pro-British jingoism on the eve of Federation to the anti-war protest movements of the 1960s. In contrast, the letters and diaries of Australian soldiers written while on the South African and Vietnam battlefields reveal that their reactions to the war they were fighting were surprisingly unlike those on the home fronts from which they came. *Australian Soldiers in South Africa and Vietnam* follows these combat men from enlistment to the war front and analyses their words alongside theories of soldiering to demonstrate the transformation of soldiers as a response to developments in military procedure as well as changing civilian opinion. In this way, the book illustrates the strength of a soldier's link to their home front lives. *Dimensions of Australian Society* Brian Graetz, Ian McAllister, 1994. Second edition of this detailed reference examining the social and political currents of contemporary Australian society. Ordered into three sections: demographic dimensions, social dimensions and politics, the volume utilises data for the national Census and representative national sample surveys. Includes new chapters on Aborigines, health and deviance. Also available in hardback. Indexed. *The Routledge History of Sex and the Body* Sarah Toulalan, Kate Fisher, 2013. The Routledge History of Sex and the Body provides an overview of the main themes surrounding the history of sexuality from 1500 to the present day. The history of sex and the body is an expanding field in which vibrant debate on, for instance, the history of homosexuality is developing. This book examines the current scholarship and looks towards future directions across the field. The volume is divided into fourteen thematic chapters which are split into two chronological sections: 1500-1750 and 1750 to present day.

Focusing on the history of sexuality and the body in the West but also interactions with a broader globe these thematic chapters survey the major areas of debate and discussion Covering themes such as science identity the gaze courtship reproduction sexual violence and the importance of race the volume offers a comprehensive view of the history of sex and the body The book concludes with an afterword in which the reader is invited to consider some of the tensions problems and areas deserving further scrutiny Including contributors renowned in their field of expertise this ground breaking collection is essential reading for all those interested in the history of sexuality and the body

Female-to-Male (FtM) Transgender People's Experiences in Australia Tiffany Jones,Andrea del Pozo de Bolger,Tinashe Dune,Amy Lykins,Gail

Hawkes,2015-01-09 This Briefs is the first national study on female to male FtM transgender people s experiences in Australia It describes an extensive study that fills the current gap in Australian research on the specific experiences and beliefs about transition for contemporary Australian FtM transgender people Following an overview of current literature on the various aspects of and approaches to transgender issues this briefs describes in detail the design participants and findings of the study The Briefs offers useful statistics and stories related to participants identities education health sexual and social lives It ends with recommendations to all those working in the various offices and institutions that FtM transgender people encounter in their everyday life and represents an invaluable resource for researchers service providers and gender diverse communities alike

Acts of Love and Lust Lisa Featherstone,2014-10-02 The past six decades have seen astonishing changes in the construction of sexuality as an apparatus of knowledge and as a lived experience Australia like much of the West has undergone a veritable sexual revolution in attitudes and behavior From early sex therapy to gay marriage the juggernaut of late modern sexuality has significantly remade Australian social and cultural life This collection brings together the work of leading historians of sexuality to consider sixty years of remarkable sexual and social change Acts of Love and Lust explores the ways both heterosexuality and homosexuality were constructed by the state through sex education in medicine by the law political activists and in the hands of the media Just as importantly contributors consider the ways sexuality was experienced not as a monolithic or imposed institution but how it was explored and enjoyed by individual bodies across different times and spaces The authors examine the pleasures and pains of living in sexual bodies and explore the manifest ways that love and lust shaped Australia s society and culture

The 1960s in Australia Shirleene Robinson,Julie Ustinoff,2012-01-17 The 1960s is one of the most heavily mythologised decades of the twentieth century More than 50 years on the era continues to capture the public s imagination The 1960s in Australia People Power and Politics recognises the complexity of social and cultural change by presenting a broad range of contributions that acknowledge an often overlooked fact that not everyone experienced the 1960s in the same way The diversity of the time is confirmed by contributions from a number of expert Australian historians who each provide an insight into Australia in the 1960s offering an understanding of the social realities of this period as well as the ebbs and flows of transnational influence This collection

includes a featured contribution by prominent Australian historian Raymond Evans who provides a personal insight into the 1960s Other contributors also place the lived experience at the centre of their analysis by considering the growth of modern flats the impact of cosmopolitanism and sex and sexuality in the Sixties The book also highlights the way power was deployed and deconstructed during this era by considering the psychiatric profession the agenda of the counter culture and the role that women s magazines played in reinforcing dominant gender paradigms The complex politics of the era are also explored through the transnational impact of figures such as Anthony Crosland the impact of the Vietnam War and the multiplicity of motivations behind the anti war protest and the Aboriginal rights movement of the era The 1960s in Australia Power People and Politics is a fresh focus on a significant time in Australia s history It brings together a collection of innovative and engaging explorations into the Australian Sixties which underline the complexity of the time Kozier & Erb's Fundamentals of Nursing Australian Edition Audry Berman, Shirlee J. Snyder, Barbara Kozier, Glenora Lea Erb, Tracy Levett-Jones, Trudy Dwyer, Majella Hales, Nichole Harvey, Lorna Moxham, Tanya Park, Barbara Parker, Kerry Reid-Searl, David Stanley, 2014-12-01 Kozier and Erb s Fundamentals of Nursing prepares students for practice in a range of diverse clinical settings and help them understand what it means to be a competent professional nurse in the twenty first century This third Australian edition has once again undergone a rigorous review and writing process Contemporary changes in the regulation of nursing are reflected in the chapters and the third edition continues to focus on the three core philosophies Person centred care critical thinking and clinical reasoning and cultural safety Students will develop the knowledge critical thinking and clinical reasoning skills to deliver care for their patients in ways that signify respect acceptance empathy connectedness cultural sensitivity and genuine concern German Ethnography in Australia Nicolas Peterson, Anna Kenny, 2017-09-21 The contribution of German ethnography to Australian anthropological scholarship on Aboriginal societies and cultures has been limited primarily because few people working in the field read German But it has also been neglected because its humanistic concerns with language religion and mythology contrasted with the mainstream British social anthropological tradition that prevailed in Australia until the late 1960s The advent of native title claims which require drawing on the earliest ethnography for any area together with an increase in research on rock art of the Kimberley region has stimulated interest in this German ethnography as have some recent book translations Even so several major bodies of ethnography such as the 13 volumes on the cultures of northeastern South Australia and the seven volumes on the Aranda of the Alice Springs region remain inaccessible along with many ethnographically rich articles and reports in mission archives In 18 chapters this book introduces and reviews the significance of this neglected work much of it by missionaries who first wrote on Australian Aboriginal cultures in the 1840s Almost all of these German speakers in particular the missionaries learnt an Aboriginal language in order to be able to document religious beliefs mythology and songs as a first step to conversion As a result they produced an enormously valuable body of work that will greatly enrich regional ethnographies

As recognized, adventure as competently as experience roughly lesson, amusement, as without difficulty as bargain can be gotten by just checking out a books **The Sex Lives Of Australians** plus it is not directly done, you could admit even more on the subject of this life, just about the world.

We manage to pay for you this proper as capably as simple quirk to acquire those all. We give The Sex Lives Of Australians and numerous ebook collections from fictions to scientific research in any way. along with them is this The Sex Lives Of Australians that can be your partner.

The Sex Lives Of Australians Introduction

In today's digital age, the availability of The Sex Lives Of Australians books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Sex Lives Of Australians books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Sex Lives Of Australians books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Sex Lives Of Australians versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Sex Lives Of Australians books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Sex Lives Of Australians books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Sex Lives Of Australians books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions

have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Sex Lives Of Australians books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Sex Lives Of Australians books and manuals for download and embark on your journey of knowledge?

FAQs About The Sex Lives Of Australians Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Sex Lives Of Australians is one of the best book in our library for free trial. We provide copy of The Sex Lives Of Australians in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Sex Lives Of Australians. Where to download The Sex Lives Of Australians online for free? Are you looking for The Sex Lives Of Australians PDF? This is definitely going to save you time and cash in something you should think about.
