The Shape of My Heart Tiffanie DeBartolo, 2002 When I was twelve a fortune teller told me that my one true love would die young and leave me all alone Everyone said she was a fraud that she was just making it up I'd really like to know why the hell a person would make up a thing like that Wry yet vulnerable Beatrice Jordan isn't the sort of woman who usually answers personal ads but she is unable to resist the following If your intentions are pure I am seeking a friend for the end of the world In doing so she meets Jacob Grace a charming effervescent thirty something writer a free spirit who is a passionate seeker of life He possesses his own turn of phrase and ways of thinking and feeling that dissonantly harmonise with Beatrice's off centre vision as they roller coaster through the joys and furies of their wrenching romance Along the way they try to come to terms with the hurt brought about by their distant fathers who in different ways forsook them

My Heart in Exile Kush Ha Mim, 2015-05-15 Peace and blessings to you all and welcome to the mind of a distraught Jamaican muslim immigrant poet From my vantage point this is my point of view Its lonely at the top im exiled away But i view love on the horizon out of the blue And as the moon beams down im in disarray Inside looking out no shadow concealing doubt I balance the scale judging my heart Out and about in around and throughout I can honestly say that im doing my part Outside the darkest days are joyful compared For nothing compares to being exiled i confess Im running love's gauntlet but im unimpaired Though filled im empty love has a void to congest Helpless i help myself to a dose of second guessing Has love deserted so That's one i'd like to know My poor wounded heart is in need of caressing Chances i've took backfired but there's a die i'd like to throw Your distant love i sit and watch from the distance A distant memory i am but what a sight to behold In this unknown land

The Treasure of My Heart Linda Lindor,2012-10-26 The land was Costa Rica a place memories The deep green silhouette of two giant mountains lay against the peaceful sky of late afternoon The sunken valley cradles tales of many adventures and memories The place is encamped by a range of mountains that lead to the pacific but to follow her trail the traveler is indeed challenged by her never ending peaks Not far to the east there is a volcano Some say that they have seen both the Pacific and the Atlantic oceans from her heights a sight to behold only on a bright cloudless day This giant forms a picturesque backdrop for the great valley Into the hills one is drawn by the melody of a cascade whose song is thunderous in rainy winter months and yet gentle and soothing in the dry summer heat Then the once lush green carpet turns to gold Along the stream runs a path that leads from a small bathing pool created by a dam of

logs to a rough cabin hidden in the woods The sounds of children daily harmonize with the rivers tune especially in the heart of the summer vacations The sounds were of joy a happy song They were the voices and laughter of three delightful youths This story contains a secret code Can you find it You will need to look for clues as you read alongthink about the coin

Seed of My Heart Robert K. Stevenson,2012-10-01 *Seed of My Heart* began as a short story with the sole purpose to maintain communication with my eldest granddaughter Madeline I would write a few paragraphs every week and as I did something happened What began as a carefree story about the summer adventures of an old man and his grandniece sprouted into a deeper revelation about the richness of a life lived in ordinary obscurity The life of the main character a single man of many years and his borrowed beloved family became an opportunity to reveal the power working through us when Gods planted seeds become watered by the Holy Spirit It is a story that I hope sheds light on the human misadventure with all its folly and heartbreak but with a spirit that is renewed in the dark of night by a whisper in the heart The story provides an example of the rich blessings produced by a walk with the Lordjust a ministry of one seemingly missing in the dust of days gone by a single old man treading faithfully into the inevitable sunset In the end the old weathered soul winnowed through years of harsh wind and hard living now finds himself on a majestic mountain for a final time He is there with a small band of sheep three dogs a horse and an aging eagle The adventure of his final summer and of his last days on the mountain finds completion in a place of amazing grace **Forever in My Heart (The Dennehy Sisters Series, Book 3)**
