The Simplicity Of Living By Faith:

The Simplicity of Living by Faith David Corbin, 2013-11-29 Our God is a God of faith and it takes faith to please Him It is easy to have faith in the little things and many Christians exercise their faith by what they can see hear and or feel but omit to realise that God revealed Himself through Jesus and set Jesus before us as the One to whom we must entrust ourselves for salvation This Christian book explains what faith is and elaborates on how we are to mature our faith through a relationship with Jesus in order to experience God at work in our lives This book explains through examples how we as Christians are to walk by faith and not be dependent on our feelings or circumstances by realising that faith is simply the hand that takes from the hand of God

A Living Faith George Spring Merriam, 1886

The Simplicity of Life Philip Colagrande, 2021-05-06 Why is it from the time we re born and throughout our lives we never question who we are Where did we come from Why are we here Is there an afterlife Is this it We only pause in a tragedy or when we realize life is ending in our later years Amazing We have absolutely no control and can be gone in a blink of an eye Our day to day lives are so focused on what we do that it totally abandons the real questions we should be asking Why I wrote this book to show what God has revealed to me through my life struggles The understanding of who my Father truly is and how simple life can be I always thought if there s a God and I live my best then why is there so much suffering Why do so many people not believe in God If he s our Father then why isn t he here living among us Think about that If you truly believe that you were created to have life then why isn t he living with us There must be a reason These questions are valid if you believe in God Would you leave your children Would you Why What he revealed to me is so simple My passion is to reach those who want the peace and joy I experienced I pray this touches your heart and brings you to a closer relationship to your loving Creator who happens to be your Father and loves you like no other He continually calls We just have to answer
