"The Simpsons" (Season 8) , Astonishing Rock Trivia John Tait,2020-09-28 A juicy piece of trivia is like a beautiful fresh cut of protein It needs to be handled just right Some fillets of trivia work well as a question others are best posed as a Did you know Some have so much flesh on them that they are better served up as a whole story or essay That is what you will find between these pages a smorgasbord of trivia treats to feast upon Like a buffet on a cruise ship you can start at the beginning and work your way along you can push in at any point for the one tasty treat that you want or you can fill a small plate and come back over and over again This is possibly the most complete book of Rock Trivia ever compiled and the morsels will astonish Did you know that in 2013 Chubby Checker sued Hewlett Packard over a 99 cent app called the Chubby Checker which allowed users to enter a man s shoe size to estimate the size of his penis He claimed that the product would cause damage to his goodwill tarnishing his image Trivia with a twist Did you know that Charles Manson co wrote a song for the Beach Boys Plus hundreds of questions to tease and expand the mind At last a rock trivia book that is not at all trivial This is a remarkable collection of questions facts myths stories jokes riddles and answers Number one with a bullet Brian Nankervis ABC Radio and RocKwiz host This is the book that we music trivia nuts have been waiting for Even if you think you know it all there ll be something that surprises you Read it from front to back or just dip into it when you need a trivia top up I love it Murray Cook The Wiggles The Soul Movers B-Sides, Undercurrents and Overtones: Peripheries to Popular in Music, 1960 to the Present George Plasketes,2016-05-23 There are undercurrents and peripheral taste preferences that are a defining part of our individual and collective cultural experience Music is no exception George Plasketes adapts the iconic A side B side dichotomy from the 45 r p m for use as a unique conceptual critical historical and cultural framework for exploring and threading together a variety of popular music and media texts The profiles and perspectives focus on the peripheries on texts which might be considered B sides overlooked underappreciated and unsung cases creators patterns and productions that have unassumingly but significantly marked popular culture music and media during the past 40 years The underappreciated yet enduring contributions of a variety of creative individuals in music television and film are a centerpiece of this volume actress Doris Day s son Terry Melcher a 1960s music producer whose imprint is on the surf country blues garage pop and most importantly the folk rock genre Hans Fenger s kid chorus cover project a musical variation of outsider art that became representative of the tribute wave that began in the 1990s and continues today versatile guitarist virtuoso Ry Cooder s extensive film soundtrack work World Music missionary efforts of American artists beyond Paul Simon s Graceland including Neil Diamond s precursor with Tap Root Manuscript in the 1970s and the exotic adventures of Henry Kaiser and David Lindley in Madagascar and Norway to name just a few examples These B sides represent undercurrents but they resonate as overtones in the mainstream of music and culture many as historical hinges Collectively these B sides are an A side antidote of outskirt observations individual snapshots of artists artifacts and rituals genres and generations producers

and musical productions in television film and video They constitute an important connect the dots cultural chronicle with a multi layered context social legal historic economic technological generational aesthetic for interpreting the interrelations between creators and institutions the music market place the production of culture and important connections between the peripheral and the popular
