

At a secret training facility in Eastern Europe, three submissive, effeminate sissies, Anthony, Richard, and Allan, are walking to their next class, Advanced Fellatio Techniques. Since their capture and delivery to the facility, each has been placed on an accelerated hormone program of powerful testosterone blockers and estrogen therapy. As their penises shrink from the hormones, each is locked into increasingly smaller NeoSteel chastity devices. This reminds each sissy that their masculinity has been stripped away and that they are being trained to be docile sissy slaves for dominant masters. Their short prison uniforms and high heels are designed to show off their smooth legs, the result of a program of laser hair removal. Their minds have been programmed to reinforce their submissiveness while they realize that they will be completely feminized before leaving the facility.

Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
