The Skin Game And Other Atlantic City Capers English Edition:

Boardwalk of Dreams Bryant Simon, 2004-07-29 During the first half of the twentieth century Atlantic City was the nation's most popular middle class resort the home of the famed Boardwalk the Miss America Pageant and the board game Monopoly By the late 1960s it had become a symbol of urban decay and blight compared by journalists to bombed out Dresden and war torn Beirut Several decades and a dozen casinos later Atlantic City is again one of America's most popular tourist spots with thirty five million visitors a year Yet most stay for a mere six hours and the highway has replaced the Boardwalk as the city's most important thoroughfare Today the city doesn't have a single movie theater and its one supermarket is a virtual fortress protected by metal detectors and security guards In this wide ranging book Bryant Simon does far more than tell a nostalgic tale of Atlantic City's rise near death and reincarnation He turns the depiction of middle class vacationers into a revealing discussion of the boundaries of public space in urban America In the past he argues the public was never really about democracy but about exclusion During Atlantic City's heyday African Americans were kept off the Boardwalk and away from the beaches The overly boisterous or improperly dressed were kept out of theaters and hotel lobbies by uniformed ushers and police The creation of Atlantic City as the Nation's Playground was dependent on keeping undesirables out of view unless they were pushing tourists down the Boardwalk on rickshaw like rolling chairs or shimmying in smoky nightclubs Desegregation overturned this racial balance in the mid 1960s making the city's public spaces more open and democratic too open and democratic for many middle class Americans who fled to suburbs and suburban style resorts like Disneyworld With the opening of the first casino in 1978 the urban balance once again shifted creating twelve separate heavily guarded glittering casinos worlds walled off from the dilapidated houses boarded up businesses and lots razed for redevelopment that never came Tourists are deliberately kept away from the city's grim reality and its predominantly poor African American residents Despite ten of thousands of buses and cars rolling into every day gambling has not saved Atlantic City or returned it to its glory days Simon's moving narrative of Atlantic City's past points to the troubling fate of urban America and the nation's cultural trajectory in the twentieth century with broad implications for those interested in urban studies sociology planning architecture and history

The Skin Game Joseph T. Wilkins, 2002-08 It was the week before Christmas and time for the annual raid on Sonia's whorehouse The Skin Game and other Atlantic City capers is the story of the days when Atlantic City hit bottom and bet its future on casinos a story that begins with the robbery of a card game in which gunmen order their victims to strip then jam them into the men's room Tim Donovan's first jury trial is the defense of one of the robbers a 17 year prison veteran who teaches what the law professors didn't He learns even more from hookers like nearsighted Mary who couldn't spot a cop's shoes and slow thinking Cindy who wants Donovan to get her baby back Woven through the young lawyer's caseload are Atlantic City's civic hustlers angling for the legalization of casinos even as the state police raid the judge's illegal slot machines at the fraternal lodge and the press breaks the story of a

motorcycle cop who sold his police hog to state troopers in an undercover sting operation Written with fast paced humor and underlying sympathy for the law s victims Tim Donovan s clients and their problems make *The Skin Game* a book that gets you laughing and thinking The funniest cast of legal and illegal characters since Rumpole of the Bailey Joe Wilkins knows Atlantic City like the back of his hand His stories brim over with the antics of Atlantic City s hookers politicians cops and the occasional client who arrives on the back of a garbage truck Louis Toscano author of *Triple Cross* and Senior Policy Advisor to former Atlantic City Mayor James Whelan I laughed so hard I had tears in my eyes Highly Recommended Don Williams Host of The Don Williams Show WOND Radio Atlantic City
