When I hired the babysitter for that weekend I had no intention of fucking her as I have never done that before even though we have had babysitters for many years. However that weekend was a difficult one with the wife away on one of her many business trips and me trying to prepare for a huge presentation on Monday. When I came in tired and with a headache and she started to rub my temples that was all it was supposed to be until she straddled my lap to better rub my temples and that was what started it all and I was inside her young sweet pussy and she was mounting my cock. Story Two I have been after Mr Josephs since the very first day I laid my eyes on him as he walked with his pregnant wife and two dogs in the dog park where I was walking the dogs for my dog walking job. I knew I wanted to fuck him right then and there and that the unborn baby was going to be my shoe in. I was finally babysitting one weekend when his wife was away and the seduction was on. When I finally had his cock imbedded inside me it was more than worth the wait and I knew that I was going to be fucking him again since one time was just never enough with the gorgeous Mr Josephs. Story Three I could not believe my eyes as I watched my wife riding the babysitter's cock in our basement while our boys were playing next door with the neighbor's son and I had gone to collect some documents from a co worker of mine. I had heard the same noises coming from downstairs when we had come home from the party but had thought that it was my imagination. Now I know that she had also been fucking him while myself and our children were upstairs.

Seducing the Sitter Emma Jade,2019-12-05 After the children are fast asleep while babysitting Madison decides to curl up on the couch and relax. She turns on the television to a list of video files on a media server. Sifting through the list with practically indecipherable thumbnails with system generated names Madison presses the play button and is faced with a video of the parents that she is babysitting for. Not only are these parents having sexual intercourse it quickly becomes clear to her that they are role playing and using her name. No it couldn't be I must have heard wrong. Once again in the throes of passion her name echoes through the speakers. Oh em gee I am the object of their roleplaying. Mesmerized Madison can't take her eyes off the screen. The titillating erotic images the captivatingly carnal words the sensual sounds of passion she quickly finds herself breathing heavy and an uncontrollable ache growing between her legs. Her hand slipped from where it had been resting on her thigh to press over the front of her shorts slowly rubbing at herself. It felt wrong to be doing this to something so personal and private though they had included her in a way even if it wasn't the most conventional. Little does Madison know things are about to get immensely hotter.
