The Soft Voice Of The Serpent:

The Soft Voice of the Serpent and Other Stories Nadine Gordimer, 1964 **The Soft Voice of the Serpent and Other Stories** Nadine Gordimer, 1962 The Soft Voice of the Serpent Nadine Gordimer, 1952 A collection of twenty one short stories most of them with a South African background **Conversations with Nadine Gordimer** Nadine Gordimer, 1990 Conversations with Nadine Gordimer edited by Nancy Topping Bazin and Marilyn Dallman Seymour Nadine Gordimer is one of the contemporary world's most admired writers of novels and short stories This volume collects three decades of her interviews In them she presents her attitudes toward her art and its interconnection with the oppressive volatile politics in her native land She has traveled extensively to other countries only to discover that no matter how white her skin she is indeed African and the only country she can call home is South Africa If you write honestly about life in South Africa apartheid damns itself she says She is ruthlessly honest and her fiction has played the vital role of communicating in detail to the rest of the world the effects of apartheid upon the daily lives of the South African people To maintain her integrity she writes as though she were dead without any thought of how anyone will react to what she has written She remains heroically undaunted both by the banning of three of her novels by the white government and by the protests of radical blacks who assert that whites cannot write convincingly about blacks She is concerned neither with the image of blacks nor with the image of whites only with revealing the complexity the full truth This truth condemns the racism upon which apartheid is built In her nine novels and eight volumes of short stories Gordimer digs deeper and deeper until she has thematic layers These include betrayal political sexual every form and power the way human beings use power in their relationships Her accounts in these interviews of how she works and of which writers she admires will fascinate readers scholars teachers and students alike Co editors Nancy Topping Bazin retired from the faculty of the English and women's studies departments at Old Dominion University and Marilyn Dallman Seymour retired from the staff of the Government Publications Department of the Old Dominion University Library **Shadows** Harold Scheub, 2009 selected not only African oral and written stories but also tales from around the world Pref p 11 **Animals and Women** Carol J. Adams, Josephine Donovan, 1995-11-14 Animals and Women is a collection of pioneering essays that explores the theoretical connections between feminism and animal defense Offering a feminist perspective on the status of animals this unique volume argues persuasively that both the social construction and oppressions of women are inextricably connected to the ways in which we comprehend and abuse other species Furthermore it demonstrates that such a focus does not distract from the struggle for women's rights but rather contributes to it This wide ranging multidisciplinary anthology presents original material from scholars in a variety of fields as well as a rare early article by Virginia Woolf Exploring the leading edge of the species gender boundary it addresses such issues as the relationship between abortion rights and animal rights the connection between woman battering and animal abuse and the speciesist basis for much sexist language Also considered are the ways in which

animals have been regarded by science literature and the environmentalist movement A striking meditation on women and wolves is presented as is an examination of sexual harassment and the taxonomy of hunters and hunting Finally this compelling collection suggests that the subordination and degradation of women is a prototype for other forms of abuse and that to deny this connection is to participate in the continued mistreatment of animals and women Soft Voice of the Serpent Nadine Gordimer,1962 Nadine Gordimer Tania Zulli,2005 Trickster and Hero Harold Scheub,2012 The trickster and the hero found in so many of the world s oral traditions are seemingly opposed but often united in one character Trickster and Hero provides a comparative look at a rich array of world oral traditions folktales mythologies and literatures from The Odyssey The Epic of Gilgamesh and Beowulf to Native American and African tales Award winning folklorist Harold Scheub explores the Trickster moment the moment in the story when the tale the teller and the listener are transformed we are both man and woman god and human hero and villain Scheub delves into the importance of trickster mythologies and the shifting relationships between tricksters and heroes He examines protagonists that figure centrally in a wide range of oral narrative traditions showing that the true hero is always to some extent a trickster as well The trickster and hero Scheub contends are at the core of storytelling and all the possibilities of life are there we are taken apart and rebuilt dismembered and reborn defeated and renewed White on Black in South Africa Michael Wade,2016-07-27 The English speaking whites of South Africa participate in the larger culture of the English speaking world while rejecting its unspoken consensual positions on many basic issues This study analyses texts of different kinds produced by the group to examine the way these deviant English speakers see themselves and particularly how this self image is influenced by the presence of the blacks who constitute a crucial part of their perceptual field Economically powerful but politically marginal for many years the English speaking whites have always been mediators of their community s experience to the world culture of the English language the study shows how the act of mediation operates in more than one direction producing a literary tradition that is essentially and perhaps surprisingly dissident Short Story Index Dorothy Elizabeth Cook,Estelle A. Fidell,1953 An index to 9 575 stories in 549 collections A History of South African Literature Christopher Heywood,2004-11-18 This book is a critical study of South African literature from colonial and pre colonial times onwards Christopher Heywood discusses selected poems plays and prose works in five literary traditions Khoisan Nguni Sotho Afrikaans English and Indian The discussion includes over 100 authors and selected works including poets from Mqhayi Marais and Campbell to Butler Serote and Krog theatre writers from Boniface and Black to Fugard and Mda and fiction writers from Schreiner and Plaatje to Bessie Head and the Nobel prizewinners Gordimer and Coetzee The literature is explored in the setting of crises leading to the formation of modern South Africa notably the rise and fall of the Emperor Shaka s Zulu kingdom the Colenso crisis industrialisation the colonial and post colonial wars of 1899 1914 and 1939 and the dissolution of apartheid society In Heywood s study South African literature emerges as among the great literatures of the modern world Short Story Index ,1956 **Life Times**

Nadine Gordimer, 2012-03-15 Throughout her career the internationally renowned South African writer Nadine Gordimer has built a literary reputation with her incisive short stories as much as with her acclaimed novels Together with her essays this highly imaginative and committed body of work won her the Nobel Prize for Literature in 1991 In the opinion of the Academy Through her magnificent epic writing she has in the words of Alfred Nobel been of very great benefit to humanity Gordimer has said that while novelists take the reader by the hand developing a consistency of relationship that does not and cannot convey the quality of human life where contact is more like the flash of fireflies in and out now here now there in darkness Short story writers see by the light of the flash theirs is the only thing one can be sure of the present moment Now for the first time the best of her stories are published in one volume **Jet** , 1952-07-31 The weekly source of African American political and entertainment news **Nadine Gordimer, Novelist and Short Story Writer** Racilia Jilian Nell, 1964
Aiyékòótó Victor Olabisi Onabanjo, 1991 Nadine Gordimer , 1994 *Edinburgh Companion to Animal Studies* Lynn Turner, 2018-03-07 This volume critically investigates current topics and disciplines that are affected enriched or put into dispute by the burgeoning scholarship on Animal Studies **Twayne's World Authors Series** , 1966
