Out for Blood Bastion Press,2003-10-05 *Soul Collector* Damion J. Ahner,2016-09-25 Come with me to a world that when you die your soul cannot pass on until it is extracted by the soul collectors Demons created from the greatest evil the dark lord whose only purpose of existence is to collect the souls of the dead Once a soul is collected soul collectors will help the soul traverse to the afterlife They come to you like reapers of death when your time is coming to an end By using special blue stones they possess created from the scorching obsidian terrain of hell mixed with powerful demonic blood they extract the soul from a body and carry it within a special bag where the soul will remain until it is sent to the other side to face judgment However if a soul isn t extracted it is in danger of being devoured by soul eaters creatures resembling a motley array of beasts and objects that hunt hungrily the souls of the living and of the dead No one knows where they came from only that they disrupt the balance of the cycle of souls It is left to the soul collector s discretion whether or not to kill them and retrieve the souls they consume For it is the duty of a soul collector as a warrior to guard the innocent destroy the wicked and end the suffering But a soul collector s soul is incapable of feeling love or compassion for another being for their hearts were ripped from their chests to prevent such emotions from clouding their judgment They have no name and are simply referred to as demons or soul collectors because they are outcasts hated by all mortals simply because of their destiny They are looked upon as disgusting vile creatures deserving not the affection of the very people they are sworn to protect Denied by the people they protect they hold true a hatred for all except their own kind and even then they are very selective Until one woman s kindness changed everything **Beached 101: Pilot** Cherilyn Korber,2020-10-09 Not like the others

A Story of the Soul's Journey in the Nag Hammadi Library Ulla Tervahauta,2015-08-19 Authentikos Logos NHC VI 3 also known as Authoritative Teaching is a little studied story of a soul s descent and ascent in the Nag Hammadi library With her book Ulla Tervahauta fills a gap in the scholarship and provide the first monograph length study that has this writingas its primary focus The aim is to find a place and context for Authentikos Logos within early Christianity but Tervahauta also adds new insight into the scholarship of the Nag Hammadi Library and study of early Christianity Contrary to the usual discussion of the Nag Hammadi writings from the viewpoint of Gnostic studies she argues that Authentikos Logos is best approached from the context of Christian traditions of late ancient Egypt between the third and the fifth centuries Tervahauta discusses the story of the soul s journey in light of various Christian and Platonic writings Also she analyses the relationship of Authentikos Logos with the Valentinian Wisdom myth and suggests that no firm evidence connects the writing closely with Valentinian traditions And although a Platonic mind set can be assumed the writing combines motifs in a unique manner For example the four epithets used in the writing the invisible soul the pneumatic soul the material soul and the rational soul are not found thus combined elsewhere Discussion of matter hyle is connected with Christian scriptural allusions and the focus is on ethics and the evilness of matter The body on the other hand is the soul s place of contest and progress The Pauline term pneumatic body 1 Cor 15 44 is used allusively and from a Platonic perspective With this book Ulla Tervahauta makes an important contribution to the study of early Christianity
