James Matthew Barrie

The Spinster Series Collection 4 Complete Novelettes:

The Spinster Series Collection (4 complete novelettes) Gabriella Mahoney, 2014-11-28 A collection of four historical romance novelettes by Gabriella Mahoney Titles included Untouched Jane Parker led an unremarkable existence and that was precisely the way she liked things At twenty seven she was resigned to a life of spinsterhood and spent the majority of her time trying to organize her neighbor s lives A simple life she had been content with until a handsome new vicar arrives in town that threatens to turn her world upside down Guilty Pleasure After the death of her parents Harriet Hughes devoted herself to a life free of temptation Any activity that could lead to an excess of emotion was strictly avoided She never questioned her way of life until a chance encounter with a dashing young naval officer who may turn out to be just too much temptation to resist Hardly a Lady As the illegitimate daughter of an earl Elizabeth Smith has little hope for a respectable marriage Tired of living under the dictates of a disinterested father Elizabeth decides to take matters into her own hands and find herself a rich protector If no one will have her as a wife then she could at least acquire some wealth being a kept woman But an old childhood friend comes for a visit and reveals that he has no intention of letting her go so easily Never Again A youthful romance that ended badly has rendered Mabel Hughes incapable of ever loving another man Or so she thought A self portrait she painted and sold years ago crosses paths with wealthy businessman Thomas Torrens He is captivated by the hauntingly beautiful woman in the picture and is determined to discover her identity Little does he realize that artist and subject are one in the same This entire collection is approximately 52 000 words long

An Everlasting Christmas Amour Tabettha Waite,2022-01-27 Get lost in the holiday season or anytime during the year with these enchanting novellas from multi award winning author Tabettha Waite A Promise Beneath the Kissing Bough Cornell Reed is the bastard son of an earl who was raised as a commoner by his mother a maid who had been dismissed from service after it was discovered she was carrying an illegitimate child Because of his modest upbringing

Cornell had never cared to be recognized by his father Lord Haverton. He is content with his simple life as a cordwainer in London, a skill he'd learned during his years as a sea-faring naval captain. It isn't until he advertises for an apprentice for the busy Christmas season that Cornell realizes what he's been missing. Miss Pleasant Hill is a poor Irish immigrant who moved to London after the death of her cobbler father in Ireland. When she isn't trying to help raise her three younger siblings or toiling as a washerwoman, she assists her ailing stepmother as a seamstress. She always dreamed of something more, but soon realized it was pointless to wish upon stars. However, when she sees the sign in the shopkeeper's window, she feels it's the answer to her long-awaited prayers. Pleasant feels that this year she can finally make a difference and give her family the holiday they had always been denied. But is a Christmas miracle even possible? Twelve Gifts by Christmas.

When Lady Philomena Wallace, the Countess of Lipscomb, receives a gift from a secret admirer, she has to imagine that it's a lark. Why would a gentleman court a widow past the first blush of youth? It isn't until a stranger from her past abruptly returns that she has to make a choice between a mysterious suitor and a second chance at love. Julian Solomon never forgot Mena, the village girl from his younger days. He left for America to make his fortune, but now he's back only to find that he may just have a bit of competition for her affection. Determined to prove how much Mena means to him, Julian may just have to rely on a bit of Christmas spirit to not only win her hand but her heart as well.

Miss Pageant's Christmas Proposal. Miss Emary Pageant is a diamond of the first water, one of the most popular debutantes of London society. She could have any man in England that she wanted, but only one appeals to her: the elusive bachelor that everyone is talking about. He would be her ultimate conquest, something to preen about for years to come. The only problem is that he thinks she's just another empty-headed daughter of a viscount. And try as she might, she can't convince him otherwise. Thankfully, she has always been quick-witted, so she quickly conceives a plan.

Donovan Wainwright. Duke of Windwood is a physically and emotionally battle-scared war hero. He knows his duty to society, the way he knew his duty to his country, but that doesn't mean he's going to fall prey to the first simpering lady who tries to gain his attention. While he might admit that Emary is appealing, she is far too vain for his tastes, and he's just not interested. It isn't until Emary boldly offers him a proposal which he foolishly accepts that the tide abruptly turns. All at once, the woman Donovan wishes to avoid becomes the one he can't live without.
