The Ministry of the Word, Vol. 24, No. 04 Various Authors, 2020-04-01 This issue of The Ministry of the Word contains the final seven messages given during the Fall 2019 term of the full time training in Anaheim California The general subject of this series of messages is The Christian Life In these seven messages we continue to consider other aspects of the Christian life In order to live the Christian life we need to know the resurrected Christ and to know and experience the power of His resurrection The first aspect in which we need to know Him is as the Son of God designated in power with His human nature Christ as the Son of God will make us the same as He is He is the prototype and He is in us as the law of the Spirit of life to shape to conform us to the image of the firstborn Son The second aspect in which we need to know Him is as the firstborn Son of God born in resurrection The first aspect emphasizes His person to be reproduced and the second aspect is for His propagation To live the Christian life is to live out the anointing The anointing is the moving and working of the indwelling compound Spirit to apply all the ingredients of the processed Triune God and His activities into our inner being so that we may be fully mingled with Him for His corporate expression Life moves and when Christ as the Spirit entered into us He came into us as the anointing In order to experience the anointing we need to know Christ as the anointed One as the anointing One and as the anointing The Christian life is a life of abiding in Christ as the vine The true vine with its branches Christ the Son with the believers in the Son is the organism of the Triune God in the divine economy to grow with His riches and express His life As the branches of the true vine we are the multiplication of Christ the duplication of Christ the spreading of Christ and the enlargement of Christ To abide in Christ as the vine is to dwell in Him to remain in fellowship with Him that we may experience and enjoy His abiding in us The Christian life is a life of living in the mingled spirit The essence of the New Testament is the two spirits the divine Spirit and the human spirit mingled together as one spirit We can

experience Christ enjoy Christ live Christ and take Christ as everything because we have become one spirit with Him Ultimately the Bible requires only one thing of us that we walk according to the mingled spirit The key to everything is found in the wonderful Spirit who is in our regenerated spirit and who has become one spirit with our spirit To live in the mingled spirit is to have the highest spirituality The Christian life is a grafted life God desires that the divine life and the human life be joined together to become one life This oneness is an organic union a union in life a grafted life Because our human life was made in the image of God and according to the likeness of God it can be joined to the divine life Our human life resembles the divine life therefore the divine life and the human life can be grafted together and grow together organically As regenerated ones we should live a grafted life a life in which two parties are joined to grow organically The Christian life is not an exchanged life but a grafted life the mingling of the human life with the divine life The most wonderful reality in the Christian experience is that the believers in Christ are united with Christ in the way of life In the grafted life the human life is not eliminated but is strengthened uplifted and enriched by the divine life As a result of our being grafted into Christ there is a three stage development of our relationship with the Triune God in Christ as the Spirit a union in life a mingling of natures and a coinherence the mutual indwelling of persons As Christians we live a life of coinherence in the Father's house which is the church as the house of God and the Body of Christ To live in the Triune God and to have the Triune God live in us is the greatest blessing in the universe The Christian life is a life fully according to and for the central work of God God's unique work in the universe and throughout all the ages and generations is to work Himself in Christ into His chosen people making Himself one with them We need God to build Himself in Christ into our humanity working Himself in Christ into us as our life nature and person God is working Himself into us through everything that happens to us so that He may become our constitution As Christians we experience the divine dispensing for God's central work The will of God concerning our Christian life is that we would know the all inclusive extensive Christ experience Him be constituted with Him and express Him The Reports and Announcements section contains 2020 FTTA Gospel Trips Also included is a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe **An Exposition of the Old and New Testament. The Church of the Beyond, vol. 6: Life Benjamin F Hoogterp, 2012-12-24 And this is life eternal that they might know thee the only true God and Jesus Christ whom thou hast sent John 17:3 Ever wonder what makes the difference between having church and having church I mean those glory times where everything seems fresh clean and like God's presence is there as something special unique and real What is it about the special and unique touch of the Spirit that makes every time life changing This is life to know Him and to make Him known There is no other purpose there is no other destiny and there is no other calling Giftings may come or go but only through Jesus do we come to know the Father John 14:6 A man asked Jesus what it took to be perfect Jesus responded do the commandments The man replied that he had and Jesus said he lacked one

thing that he was to sell all give to the poor and follow Him You see you can't get anywhere without His heart you have no life in you if you do not have His name His Character His Will His desire It is in giving everything absolutely everything that we receive Him for we must live as He lived and walk as He walked In doing this we show that we are His disciples and we will abide in His love It wasn't for a show and it wasn't for an institution that Jesus died but He came and lived as a man for men that we men and women might know His true love be set free from the deceptions of this age and come to know true life Eternal life Himself For there is life in no other nor is there salvation in any other name than Jesus Christ Whoever believes on Him shall be saved and all others shall be damned even as the scriptures say in Mark 16:16 For to one He says come and he comes and to another do this and he does it The greatest key to life could be summed up in one of Jesus statements saying that all of the Father's commands lead to life Even the command to the cross though it went through death lead to life and we live today because of it Hallelujah Praise the Lord

The Life of Luther (Vol. 1-6) Hartmann Grisar, 2022-12-10 Luther is a six volume biography of Martin Luther German professor of theology and the Church reformer famous for his Ninety five Theses of 1517 and recognized as a seminal figure in the Protestant Reformation The aim of the work was to present accurate historical and psychological portrait of Luther's personality which is still a mystery from many points of view While presenting Luther's psychological picture the author chooses to do so in Luther's own words analyzing his writings and letters Analyzing Luther's writings he opts not to write about Luther's teachings and the history of dogma but reaches deeper in his endeavor to supply an exact portrayal of Luther as a whole which should emphasize various aspects of his mind and character

the series of messages on the present practice in God's economy. These messages given at a crucial time in the Lord's recovery unveil the practice of the new way which the Lord gave to the churches through Brother Lee's ministry and practical leading. In the message which we include here Brother Lee emphasizes our need to carry out the begetting, nourishing and teaching in the meetings in the believers' homes. To carry out the new way we must no longer build up the big meetings of the church which have the clergy-laity system as their root. This truly involves a spiritual warfare so we must struggle every step of the way especially in prayer to participate in the fighting service in God's economy. The subsequent six messages are from the second half of the Living Stream Ministry's Summer Training of 1997 entitled *The Crucial Contents of God's New Testament Ministry*. This training which followed immediately after our brother's departure was a thorough review of the contents of the New Testament ministry which he brought to us over many years. On the occasion of Brother Lee's departure we can consider all that the Lord has unveiled to us all the truths which were recovered for us through our brother's faithful ministry to bring us into the Lord's recovery and into the experience of Christ and the reality of the Body of Christ for God's eternal economy to consummate the New Jerusalem. The local churches raised up under this ministry will speak these things, teach these things, write these things and live these things until we meet the Lord. Last we include an encouraging report on the spread of the ministry through the marketing of our publications in Christian bookstores. We also report on the work to produce the Recovery Version of the New Testament in the Russian language which is now in its fifth and final year. A letter from the co-workers in the former Soviet Union brings us up to date on the Lord's move there in the first training for the responsible brothers and the recent winter training held in Moscow and letters from Berlin, Germany report on the progress in publishing and distributing books by Watchman Nee in the German language. **The sermon**

Bible [extr. from sermons on the Bible by various authors], 1892 **The Ministry, Vol. 06, No. 09** Various Authors, 2002-09-01. In this issue of *The Ministry* we include six messages from the 2002 Memorial Day Conference in Seattle, Washington, May 24-27. The general subject of this series of messages is *A New Revival: Living the Life of a God-man for the Reality of the Body of Christ*. The following four statements summarize the burden for these messages: 1. God's economy is God becoming man that man may become God in life and in nature for the producing of the Body of Christ; 2. the reality of the Body of Christ is a corporate living of conformity to the death of Christ by the power of the resurrection of Christ; 3. the Spirit is the reality of the Triune God, the reality of resurrection and the reality of the Body of Christ; and 4. whenever we turn to our spirit and exercise our spirit we enter into the reality of the Body because the Body is in our spirit. Last of all we include two reports: 1. a recent training among the young people in West Africa and 2. recent and upcoming trainings and conferences in Russia. *The Ministry, Vol. 06, No. 04* Various Authors, 2002-04-01. In this issue of *The Ministry* we include nine messages of *The Visions of Ezekiel concerning God's Economy* given during the 2001 fall term of the Full-time Training in Anaheim. God's economy is His plan and arrangement according to the desire of His heart to dispense Himself in Christ as the Spirit into

His chosen and redeemed people as their life supply and everything thereby working Himself into them to make them His corporate expression The book of Ezekiel gives us a condensed vision of God s economy It begins with a vision of God s glory and ends with a vision of God s building and ultimately of God s city showing us that God s goal is the building His corporate expression The visions of Ezekiel are messages of God for the present age an age in which God s people have fallen into captivity in Babylon where they do not live in Christ properly and continually and where they do not enjoy the riches of Christ Last of all we include reports concerning the Lord s move in South Africa and Holland *Method of Order* J. F.
