Reason in Late Antiquity Gillian Clark,2023-04-14 What does it mean to say that a human being is body and soul and how does each affect the other Late antique philosophers Christians included asked these central questions The papers collected here explore their answers and use those answers to ask further questions reading Iamblichus Porphyry Augustine and others in their social and intellectual context Among the topics dealt with are the following Humans are mortal rational beings so how does the mortal body affect the rational soul The body needs food what foods are best for the soul and is it right to eat animal foods if animals are less rational than humans The body is gendered for reproduction are reason and the soul also gendered Ascetic lifestyles may free our bodies from the limitations of gender and desire so that our souls are free

to reconnect with the divine but this need must be balanced with the claims of family and society Philosophers asked whether life in the body is exile for the soul Christians defended their claim that body as well as soul would live after death and even the smallest fragment of a martyr's body is proof of resurrection *The Making of a Mature Disciple* Kenneth S.

Todd, 2017-08-16 Some of the key issues that make up the content of this book are 1 why God expects obedience from his children 2 how acknowledging our sinful nature helps to maintain a right relationship with God 3 being aware of and taming the power of our tongue and 4 how we act out the love of God that shows we are indeed a true believer These issues and several others in this book will help a Christian become the mature Christians that God expects his children to be Prepare to Overcome Kristos Parakletos, 2021-03-16

Prepare to Overcome A Believer's Response to God's Call to Intimacy The signs of the times the end of the age the last days are words and phrases we are hearing more and more Indeed the signs are surrounding us and for those with eyes to see the end of the age is surely drawing near But what does that mean exactly in a practical day to day response for a child of God Is it just enough to know our place in history Jesus admonished the Pharisees and Sadducees for their inability to discern the signs of the times believers are exhorted to watch and be sober but then what Are there things to do in preparation It is a great privilege as a believer to be chosen by God to live in so significant a time in history The references to the last days in the Bible build to an ever increasing crescendo until reaching its full culmination in the proclamations of Revelation to overcome To overcome is to be victorious undefeated to prevail by default to not be overcome As students of Bible prophecy regarding the last days in which we live it becomes apparent that the Overcomers are an elite company defined by God as His choice ones superior in their humility and therefore victorious in their day They are likened to the Obedient the Royal Priesthood the bride the messenger of the Lord and His Zadok priest Contrary to the assumption of many not all qualify there are conditions that must be met In the end the only opinion that will matter on the great and terrible day of the Lord is His all people would do well to know what it is Indeed there is much to prepare to overcome **Revelation Six Get Ready** Charles Pretlow, 2004-12

Revelation Six Get Ready expounds on Christ's teachings concerning the end of the age the Great Tribulation and the rapture of the true Christian The author Pastor Charles Pretlow discusses the weak condition most Christians are in and the deception befalling many who believe in a pre tribulation rapture Few understand that Christians will be required to endure much of the Great Tribulation and be used of God for a final harvest of souls The book is broken down in two parts Part 1 is entitled Abandoned by God Attacked by Satan Part 2 is entitled How to Stand and Endure to the End This book took over six years to write and is filled with solid doctrine that will help the sincere disciple of Christ get ready and do God's will during the coming terror filled days It is a road map filled with Biblical principles that when embraced will bring true sanctification cleansing and healing **Carnal Spirit** Matthew W. Maguire, 2019-04-29 It is rare for a thinker of Charles P. Guy's considerable stature and influence to be so neglected in Anglophone scholarship The neglect may be in part because so much about P. Guy is contestable and paradoxical He strongly

opposed the modern historicist drive to reduce writers to their times yet he was very much a product of philosophical currents swirling through French intellectual life at the turn of the twentieth century He was a passionate Dreyfusard who converted to Catholicism but was a consistent anticlerical He was a socialist and an anti Marxist and at once a poet journalist and philosopher P guy 1873 1914 rose from a modest childhood in provincial France to a position of remarkable prominence in European intellectual life Before his death in battle in World War I he founded his own journal in order to publish what he thought most honestly and urgently needed to be said about politics history philosophy literature art and religion His writing and life were animated by such questions as Is it possible to affirm universal human rights and individual freedom and find meaning in a national identity How should different philosophies and religions relate to one another What does it mean to be modern A voice like P guy s according to Matthew Maguire reveals the power of the individual to work creatively with the diverse possibilities of a given historical moment Carnal Spirit expertly delineates the historical origins of P guy s thinking its unique trajectory and its unusual position in his own time and shows the ways in which P guy anticipated the divisions that continue to trouble us

The Seed of Abraham Michael M. C. Reardon, Pesach Wolicki, 2025-06-25 The inspiration for this volume emerged from years of friendship dialogue and collaboration between a Jewish rabbi and Christian professor Historically Jewish Christian relations has been a fraught sphere of inquiry Despite sharing a set of Scriptures the relationship between Christians and Jews has been marked by distrust misunderstandings and exaggerated theological differences which taken together appear to create an indissoluble wedge between the two faiths This volume brings the two faiths into fruitful and productive dialogue by unearthing recondite yet highly significant features shared between them Beyond being an academic exercise the aspiration undergirding this project is to bridge the gap between Jews and Christians and by doing so chart a path forward toward rapprochement reconciliation and Jewish Christian unity
