The Seven Levels of Intimacy Matthew Kelly, 2005-11 We All Crave An Authentic Experience Of Intimacy Though our hearts crave intimacy though our minds understand our deep need for it the self revelation it requires is often too daunting a task Complete and unrestrained sharing of self exposes the deepest human fear of being rejected for being ourselves In The Seven Levels of Intimacy Matthew Kelly both acknowledges and calms our fears while teaching us how to move beyond them to experience the power of true intimacy Matthew reveals that each relationship is built upon a pattern of interaction In the beginning stages we rely on casual interactions gaining familiarity by focusing on superficialities and facts We grow closer and begin to share our opinions learning to accept each other and embrace the growing relationship despite the difference in our experiences and viewpoints Once our differences and opinions are shared and accepted we feel safe enough to reveal our hopes dreams and feelings developing trust With this trust we open ourselves and are able to share our legitimate needs becoming liberated from carrying the burden of our real needs alone At last we are deeply intimate and both willing and able to reveal our deepest fears We are beyond judgment and feel trust and acceptance By moving through and building upon each level of intimacy we find comfort and gain trust in our partners and ourselves until by developing and deepening our intimacy within each level we are able to fully open ourselves finally opening to the possibility of truly being loved It is through mastering the seven levels of intimacy that we will break through to fully experiencing love commitment trust and happiness The Seven Levels of Intimacy is a brilliant and practical guide to creating and sustaining intimacy whether you are looking for a deeper sense of connection with your spouse looking for more fulfillment in your relationship with your boyfriend or girlfriend trying to improve your relationships with your children or simply wondering what you should be looking for in a partner With profound insight and the use of powerful everyday examples Matthew Kelly explains how we can nurture the intimacy in our relationships The Seven Levels of Intimacy redefines how we view our interactions with others This new understanding leads us to successfully create the strong connections deep joy and lasting bonds that we all long for

God of the Storm: There Stood by me this Night Burliss E. Parker, 2017-03-15 So when the ship was caught and could not head into the wind we let her drive Acts 27 15 The meaning here is that the storm was so powerful they surrendered control of the ship to the storm This book has been in the making for over twenty years I have observed and experienced the storms of life the unplanned and unexpected changes that blow into our lives and change the direction we were going Everyone experiences storms in their lives Storms can be caused by your own conduct or by the actions of others Storms can be a satanic attack or just the events of life It is difficult to see God s plans in the storm However if He has a job for us to accomplish for Him He will bring the circumstances into our lives to take us where He wants us For there stood by me this night an angel of the God

to whom I belong and whom I serve Acts 27 23 What a wonderful promise We do not go through the storms of life alone He is always with us Remember the storms of life are never bigger than the God we serve *The Deemster Hall Caine, 1895*
