Sermon Outlines on Revival Themes, 1957 These sermon outlines on various topics were chosen for their strong scriptural support and solid expository structure They will enhance pulpit ministry and encourage those in the pew

**Sermon Outlines for Expository Preaching** Charles Wood, Expository outlines that can lead to sermons or lessons filled with a deeper understanding of the truth of God s Word **Sermon Outlines for Special Days and Occasions**

Charles R. Wood, 2007-04-01 Expository outlines that can lead to sermons or lessons filled with a deeper understanding of the truth of God s Word *The Story of Preaching* T. A. Prickett, 2011-06-09 The Story of Preaching is a fresh look at the

preacher and preaching from the early days of the Church until today It is not a history of preaching because there are some obvious gaps in the timeline What I have attempted to do is to describe the preacher and the characteristics of the period in which he or she lived One of the things which I have tried to do is to show how the preachers handled the issues of their day One of my objectives in doing this is to help the preachers of my day to address the issues of this era as the preachers of old addressed the issues in their time The book will show that some who dared to challenge the attitudes of their day faced many challenges and some even faced death because of their commitment to apply the principles of the gospel to the status quo of their day However the book will show that there were those who challenged the mode of their time without facing death or threats of death They found a way to present their concerns to their constituents in a way that lead to success The

missioner's book of sermon notes and illustrations, ed. [by A. Bathe] from the papers of the late A.G. Jackson Arthur Gregory Jackson, 1890 100 Old Testament Sermon Outlines John Phillips, Carefully crafted sermon ideas from an accomplished

speaker for a wide range of preaching occasions **Understanding and Preaching Narrative** Roger Senior, 2012-03 Over half of Scripture is narrative in form Is there more to it than entertaining stories Are we perhaps missing some of the deeper meaning In this book Roger Senior gets to grips with the unique characteristics of biblical narrative by an examination of Luke s gospel He uses these insights to help preachers prepare sermons in which the original narrative power and impact of the biblical text is maintained At the end of most chapters are questions which may profitably be studied individually or in groups Rev Dr Roger Senior has worked in East Asia with OMF International for almost thirty years He has trained pastors and seminary students in expository preaching in Korea Mongolia and Malaysia At the Union Bible Theological College in Mongolia he taught Biblical Studies Hermeneutics and Homiletics and also worked as college principal He is currently on the faculty of the Malaysia Bible Seminary **Preaching Without Notes** Prof. Joseph M. Webb, 2010-09-01 In this important

book Webb makes two central claims First that effective preaching without a manuscript is not a matter of talent as much as it is a matter of preparation Preachers can learn the practices and disciplines that make it possible to deliver articulate thoughtfully crafted sermons not from a written page but as a natural spontaneous act of oral communication Throughout the book the author offers specific examples including a transcript of a sermon preached without manuscript or notes Second

that the payoff of learning to preach without a manuscript is nothing less than sermons that more effectively and engagingly give witness to the good news      **Outlines on the Parables of Jesus (Sermon Outline Series)** Croft M. Pentz,1980-07-01 Perfect for a preaching series on the parables Jesus told this handy book can also be used by Sunday school teachers and speakers      **100 New Testament Sermon Outlines** John Phillips, Carefully crafted sermon ideas from an accomplished speaker for a wide range of preaching occasions      **The Witness of Preaching** Thomas G. Long,2005-01-01 This thorough revision of this classic text is even clearer and more helpful than the first edition Long has updated the language expanded the key chapter on biblical exegesis and has included more examples of sermon forms illustrations and conclusions      *The Modern Preacher and the Ancient Text* Sidney Greidanus,1989-01-19 A fusion of biblical hermeneutics and homiletics this thorough and well researched book offers a holistic contemporary approach to the interpretation and preaching of biblical texts using all the scholarly tools available and focusing especially on literary features Greidanus develops hermeneutical and homiletical principles and then applies them to four specific genres Hebrew narratives prophetic literature the Gospels and the Epistles      *The sermon Bible [extr. from sermons on the Bible by various authors ,1888*      **Live, Listen, Tell** Geoff New,2017-03-03 Live Listen Tell The Art of Preaching will guide readers through the process of sermon preparation and hearing God through the Scriptures By drawing on life and Scripture especially the road to Emmaus narrative in Luke 24 the author illustrates that preachers are living a story listening to a story and telling a story This book encourages you to pay particular attention through prayer to the story to which you are listening Geoff New shows how to prayerfully listen to the Scriptures in preaching preparation and how the fruit of this leads to a sermon and impacts the way we live listen and tell

**Preaching from the Soul** J. Ellsworth Kalas,2003 Careful biblical interpretation insights into contemporary life polished delivery humorous anecdotes these are the building blocks of preaching that genuinely reach people Right Wrong says Ellsworth Kalas We have all encountered preachers who seem to know all the fine points of exegesis and inflection yet whose sermons leave us surprisingly unmoved aware that we were in the presence of good speaking but not great preaching The difference Kalas reminds us lies in that hard to describe yet essential quality known as soul Soul is the collection of those perspectives and convictions that matter most to the preacher Soul preaching means offering one s particular ideas attitudes and convictions fully to the congregation When one preaches with soul one engages the biblical text with the core of one s values and beliefs Soul preaching is in other words simply giving the whole self to the task of proclamation While the concept may sound simple the reality is anything but In the clear insightful style for which he is known Kalas takes readers on a path of discovery introducing them to the unique gifts that they can bring to preaching and the best way to engage those gifts in preparing and delivering the sermon      *Telling the Gospel Through Story* Christine Dillon,2012-05-15 Church planter Christine Dillon has discovered that Bible storying is far more effective than most other forms of apologetics or evangelistic presentations Her book explains how to shape a good story how to do evangelism through storying and lead Bible discussions

Here are concrete steps for sharing the Story that everyone needs to hear      **Leading with Story** Rick Sessoms, 2016-07-08  
Cultivating Christ Centered Leaders in a Storycentric Generation Eighty percent of the world's people including seventy percent of Americans are storycentric communicators that is they prefer to learn and are most likely to be influenced through stories pictures drama and music rather than through reading and writing Yet more than ninety percent of Christian workers communicate through a highly literacy based approach This disconnect overlooks a primary method of Jesus himself in the preparation of leaders and impedes the effective cultivation of leaders in the growing global church Through engaging stories biblical insights leadership research field tested methods and practical models of effective leadership development Leading with Story offers unique solutions that will inspire and challenge any who want to raise up or to be raised up as Christ centered leaders in this storycentric generation      **Preacher John: Sermon Notes from Bread of Life** John J Wiltse, 2014-05-21 Preacher John has been a minister of the Word for more than forty years He has spent thousands of hours reading and studying God's Word He has pastored four churches and is currently the Senior Pastor at Bread of Life Christian Fellowship in northern Nevada Preacher John has been married to Betty Woman's Pastor at Bread of Life for forty seven years and they have three children all in the ministry They also like to brag about their eighteen grandchildren and four great grandchildren Preacher John has also authored a workbook for new believers called Foundations of Faith available at <http://www.lulu.com/spotlight/bettysbooks> as well as through a free email Bible study at [BreadOfLifeCF.com](mailto:BreadOfLifeCF.com) His church has published an assemblage of their writings many from Bro John Bread of Life is also available at <http://www.lulu.com/spotlight/bettysbooks>      [The Publishers' Trade List Annual](#), 1886      **Preparing Sermons from the Page to the Pulpit** Wayne Baxter, 2023-12-06 A step by step guide to preparing effective expository sermons Preparing Sermons from the Page to the Pulpit helps pastors move from study to sermon in seven clear steps Pastors love studying God's word But it can be difficult to take the things they've learned from exegesis and apply them to the soul of a congregation Veteran pastor and seminary professor Wayne Baxter helps pastors move from study to sermon He guides preachers on how to take their exegetical analysis of a Scripture passage and turn it into an effective expository sermon Preachers and seminarians will be helped by Baxter's expertise as they grow in crafting compelling sermons
