**Camus: The Stranger** Patrick McCarthy,2004-01-19 Publisher Description **The Stranger** ,2002 A Study Guide for Albert Camus's The Stranger Gale, Cengage Learning,2015-03-13 A Study Guide for Albert Camus s The Stranger excerpted from Gale s acclaimed Novels for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Novels for Students for all of your research needs *The Stranger (Novel)* Albert Camus,2016-04-19 is a novel by Albert Camus published in 1942 Its theme and outlook are often cited as exemplars of Camus s philosophy of the absurd and existentialism though Camus personally rejected the latter label **The Stranger (English Edition)** Albert Camus,2016-02-20 *The Outsider or The Stranger* French L Etranger is a novel by Albert Camus published in 1942 Its theme and outlook are often cited as exemplars of Camus s philosophy of the absurd and existentialism though Camus personally rejected the latter label The titular character is Meursault an indifferent French Algerian a citizen of France domiciled in North Africa a man of the Mediterranean an homme du midi yet one who hardly partakes of the traditional Mediterranean culture who after attending his mother s funeral apathetically kills an Arab man whom he recognises in French Algiers The story is divided into two parts presenting Meursault s first person narrative view before and after the murder respectively In January 1955 Camus wrote I summarized The Stranger a long time ago with a remark I admit was highly paradoxical In our society any man who does not weep at his mother s funeral runs the risk of being sentenced to death I only meant that the hero of my book is condemned because he does not play the game The Stranger by Albert Camus Albert Camus,1942 The Stranger French L tranger also published in English as The Outsider is a 1942 novella by French author Albert Camus Its theme and outlook are often cited as examples of Camus philosophy absurdism coupled with existentialism though Camus personally rejected the latter label The title character is Meursault an indifferent French settler in Algeria described as a citizen of France domiciled in North Africa a man of the Mediterranean an homme du midi yet one who hardly partakes of the traditional Mediterranean culture Weeks after his mother s funeral he kills an Arab man in French Algiers who was involved in a conflict with one of Meursault s neighbors Meursault is tried and sentenced to death The story is divided into two parts presenting Meursault s first person narrative view before and after the murder respectively Meursault learns of the death of his mother who has been living in an old age home in the country He takes time off from work to attend her funeral but he shows no signs of grief or mourning that the people around him expect from someone in his situation When asked if he wishes to view her body he declines and he smokes and drinks regular white coffee not the obligatory black coffee at the vigil held by his mother s coffin the night before the burial Most of his comments to the reader at this time are about his

observations of the aged attendees at the vigil and funeral which takes place on an unbearably hot day Back in Algiers Meursault encounters Marie a former secretary of his firm The two become re acquainted swim together watch a comedy film and begin to have an intimate relationship All of this happens on the day after his mother s funeral Over the next few days Meursault helps Raymond Sint s a neighbor and friend who is rumored to be a pimp but says he works in a warehouse to get revenge on a Moorish girlfriend he suspects has been accepting gifts and money from another man Raymond asks Meursault to write a letter inviting the girl over to Raymond s apartment solely so that he can have sex with her and then spit in her face and throw her out While he listens to Raymond Meursault is characteristically unfazed by any feelings of empathy so he does not express concern that Raymond s girlfriend would be emotionally hurt by this plan and agrees to write the letter In general Meursault considers other people either interesting or annoying or feels nothing for them at all Raymond s girlfriend visits him on a Sunday morning and the police get involved when he beats her for slapping him after he tries to kick her out He asks Meursault to testify that the girlfriend had been unfaithful when he is called to the police station to which Meursault agrees Ultimately Raymond is let off with a warning

**The Outsider** Albert Camus,2013-10-31 Meursault leads an apparently unremarkable bachelor life in Algiers until he commits a random act of violence His lack of emotion and failure to show remorse only serve to increase his guilt in the eyes of the law and challenges the fundamental values of society a set of rules so binding that any person breaking them is condemned as an outsider For Meursault this is an insult to his reason and a betrayal of his hopes for Camus it encapsulates the absurdity of life In *The Outsider* 1942 his classic existentialist novel Camus explores the predicament of the individual who refuses to pretend and is prepared to face the indifference of the universe courageously and alone

Albert Camus's *The Stranger* Peter Francev,2014-06-26 Often marginalised on the sidelines of both philosophy and literature the works of Albert Camus have in recent years undergone a renaissance While most readers in either discipline claim Camus and his works to be theirs the scholars presented in this volume tend to see him and his works in both philosophy and literature This volume is a collection of critical essays by an international menagerie of Camus experts who despite their interpretive differences see Camus through both lenses For them he is a novelist essayist who embodies a philosophy that was never fully developed due to his brief life The essays here examine Camus s first published novel *The Stranger* from a variety of critical and theoretical perspectives each drawing on the author s knowledge to present the first known critical examination in English As such this volume will shed new light on previous scholarship

**The Stranger - Albert Camus** Harold Bloom,2009 The condition of man is revealed as absurd in Camus s short novel

**The Outsider** Albert Camus,2000 Meursault leads a bachelor life until he commits a random act of violence His lack of emotion and failure to show remorse serve to increase his guilt in the eyes of the law This novel explores the predicament of the individual who refuses to pretend and is prepared to face the indifference of the universe courageously and alone
