The Sage Chronicles Family Matters:

The Sage Chronicles Michael Jerome Johnson, 2014-12-23 A secret war to save two worlds has been going on for generations over and over again The three principle combatants the Black Elf known as Sage and his adversaries the demigods Simon and the Unicorn have their own reasons for saving the worlds No matter how many times they waged the war and which side won the war the worlds died anyway Each time Sage returned to the past to correct the mistakes he made making sure to obey the laws of time and space even magic to save the two worlds He never succeeded This time Sage is breaking all the laws as well as enlisting allies he never imagined having in his previous attempts So have Simon and the Unicorn All three know this is their last chance and they will stop at nothing to succeed Hopefully the two worlds will survive their success

The Sage Chronicles Michael Johnson, 2015-06-21 The Three have declared war on the city The battle lines have been drawn on three fronts On one front an invasion from an army of Rabids led by Wyldes threatens to tear the city apart if the city falls the world will follow On another front the fate of two worlds hinges on one man divided into two If the two Sages fail this time nothing and no one will survive But in order to succeed they must make a sacrifice that will leave only one of them standing to face The Three alone On the most important front the life of a tiny baby will either tear warring Nations apart or bring them together And what three families sacrifice to save everything will shake them all to their core
