It is also a book about practical living. Pasquale De Marco shows us how the gift of salvation can make a difference in our everyday lives. **Out of the Wardrobe** Michael Phillips, 2018-08-17 The acclaimed Christian author shares his spiritual and intellectual journey away from received dogmas and toward a personal relationship with God. When I began writing, I recognized that God's primary call on my life was to speak through my writing to Christians. That call was to challenge readers to think beyond formulaic faith. I desired to present no new formulas but to point to the deeper truths toward which Jesus persistently urged his disciples about his Father. It was a call directed as much toward myself as anyone else. Novelist and devotional author Michael Phillips takes the reader on a personal journey of faith, chronicling his quest to move beyond learned formulas of belief to an intimate knowledge of God's Fatherhood. The Salvation Conundrum, the Hell Conundrum, and the Cross Conundrum all came under

Phillips scrutiny as he learned what it means to be a bold thinking Christian      **Guru Nanak's Divine Teaching** Swarn Singh Bains,2010-06-28 There is no available information at this time      **The Fury & The Reunion** L.J. **An Anthology of Perception Vol. 1** Kurt Philip Behm, 2013-02-26 For over forty years Kurt Philip Behm has lived within the magic of the Perpetual Present It has inspired all of his writing and has allowed him to both see and write about the truth contained within every moment Once acknowledging this truth within himself and accepting its presence he started an inward journey that time and its deceptive handmaidens the past and future would have only denied His message is to live not only for today but this very moment knowing that this moment is all that we have had or will ever have again Living within the magic of its Perpetual Present will then free our souls guiding us on a path toward becoming all that we were truly meant to be

**The Inescapable Love of God** Thomas Talbott, 2014-11-17 Will the love of God save us all In this book Thomas Talbott seeks to expose the extent to which the Western theological tradition has managed to twist the New Testament message of love forgiveness and hope into a message of fear and guilt According to the New Testament proclamation he argues God's love is both unconditional in its nature and unlimited in its scope hence no one need fear for example that God's love might suddenly turn into loveless hatred at the moment of one's physical death For God's love remains the same yesterday today and forever But neither should one ignore the New Testament theme of divine judgment which Talbott thinks the Western theological tradition has misunderstood entirely He argues in particular that certain patterns of fallacious reasoning which crop up repeatedly in the works of various theologians and Bible scholars have prevented many from appreciating St Paul's explicit teaching that God is merciful to all in the end This second edition of Talbott's classic work is fully revised updated and substantially expanded with new material
