Ali Al'Amin Mazrui,1989 **Freedom of Speech and Islam** Erich Kolig,2016-04-15 Freedom of speech and expression is considered in the West a high public good and an important social value underpinned by legislative and ethical norms Its importance is not shared to the same extent by conservative and devout Muslims who read Islamic doctrines in ways seemingly incompatible with Western notions of freedom of speech Since the Salman Rushdie affair in the 1980s there has been growing recognition in the West that its cherished value of free speech and associated freedoms relating to arts the press and media literature academia critical satire etc episodically clash with conservative Islamic values that limit this freedom for the sake of holding religious issues sacrosanct Recent controversies such as the Danish cartoons the Charlie Hebdo affair Quran burnings and the internet film The Innocence of Muslims which have stirred violent reactions in the Muslim world have made the West aware of the fact that Muslims religious sensitivities have to be taken into account in exercising traditional Western freedoms of speech Featuring experts across a spectrum of fields within Islamic studies Freedom of Speech and Islam considers Islamic concepts of blasphemy apostasy and heresy and their applicability in the modern world Writing Fundamentalism Axel Stähler,Klaus Stierstorfer,2009-05-27 Given its discursive amplification and its very real impact on contemporary societies fundamentalism has become the focus of much scholarly attention However whereas it is commonly recognized to be centred on texts the complex and at times paradoxical relationship of fundamentalism with literature remains as yet largely unexplored Based on new research by an international team of scholars working in the fields of literary and cultural studies the essays gathered in this volume are based on a number of theoretical frameworks and debates and open up a historical perspective which engages critically with received notions of fundamentalism by exploring literary representations of fundamentalisms and the function of literature in fundamentalism they enquire into the underlying generic differences and

incompatibilities as well as perhaps more unexpected the similarities and affinities between fundamentalism and literature Opening up a historical perspective reaching back to the early sixteenth century concepts of fundamentalism as a response to exclusively modernist tendencies since the beginning of the twentieth century are challenged in this volume and several contributors begin to explore the rise of fundamentalisms at various points in history characterized by the crisis experience of cultural change While taking this conceptual base as a point of departure the articles collected here then spread out on a plurality of theoretical frameworks Alert to the productive friction between these discourses which it aims to elicit the volume confronts earlier research in the disciplines of theology history of religion sociology political history anthropology and if less copious literary studies with postcolonial and cultural studies With its general focus on writing in English including American and British literatures as well as the new literatures in English worldwide the collection takes into account cultural and historical affinities and differences which have contributed to the ongoing negotiations of fundamentalism and literature in the English language and transcends borders of both nations and academic disciplines In exploring new perspectives on fundamentalism and literature the volume offers tools for a better understanding of this interrelation which should be of interest to scholars across all disciplines concerned with fundamentalism as a social and cultural phenomenon of ever growing global importance and impact

Salman Rushdie James Harrison, 1992 Born in India but raised and educated in England Salman Rushdie brings to his fiction a unique awareness of cultural difference and conflict His complex buoyant style first recognized internationally with the Booker Prize winning *Midnight s Children* 1981 has brought him to the forefront of postmodern literature The political and religious controversy Rushdie s satiric work often generated exploded into open hostility when *The Satanic Verses* was published in

1988 James Harrison's lively study of Salman Rushdie argues that in experimenting with different prose styles and narrative modes as well as in his use of plot satire parody and intrusive authorial commentary Rushdie expresses his preference for a world of multiplicity flexibility and tolerance Through a close analysis of the major fiction including *Grimus* 1975 *Shame* 1983 and the irresistibly entertaining children's book *Haroun and the Sea of Stories* 1990 Harrison clearly shows Rushdie's opposition throughout his work to religious fundamentalist thought as a political force Harrison discusses the relationship between Rushdie's life and work analyzes all the novels and perceptively and sympathetically assesses the writer's conflict with Muslim and Hindu religious authorities This invaluable study provides a much needed insight into Salman Rushdie's writings and the exception that has been taken to them by Muslim fundamentalists Epic Voices Robert Arlett, 1996 The path of the modern novel has been marked by a dialectic of seemingly rival impulses while certain novelists have sought to deal with wide scale social and political dimensions of modern existence others have concerned themselves primarily with interior sensibility Studies in Indian Writing in English Mittapalli Rajeshwar, Pier Paolo Piciuccio, 2000 During The Seventy Years Of Its Effective History Indian Writing In English Crossed Many Miles Stones And Has Come To Be Finally Accepted As A Major Literature Of The World Having Won Almost Every Important Literary Prize In The Recent Few Years Iwe Has Become Immensely Popular With The Common International Readers And Critics Alike If Its Being Prescribed For Study In Universities Across The World Is Any Indication The Place Of Iwe In The Canon Is Secure Forever This Anthology Of Critical Articles Attempts To Evaluate Some Of The Major Indian Poets And Novelists And Their Influential Works From Refreshingly New Perspectives Historical Socio Economic Existential Mythological Philosophical Religious And Environmental The Writers Studied Here Include Anand Narayan Raja Rao Malgonkar Bhattacharya Joshi Desai Markandaya Sahgal Ezekiel And Ramanujan An Interesting Addition To This Volume Are A Couple Of Articles On The Diaspora Writers Such Rohinton Mistry And The South African Indian Poets And Novelists It Is Hoped That This Book Will Prove Itself Highly Useful To All Who Are Seriously Interested In Indian Writing In English **The Postcolonial City and Its Subjects** Rashmi Varma, 2011-08-05 This book considers twentieth and twenty first century literary and cultural formations of the postcolonial city and the constitution of new subjects within it Varma offers a reading of both historical and contemporary debates on urbanism through the filter of postcolonial fictions and the cultural fields surrounding and containing them In particular she presents a representational history of London Nairobi and Bombay in the twentieth and twenty first centuries and engages three key theoretical frameworks the city within postcolonial theory and culture its troubled salience in the construction of postcolonial public spheres and identities from local rural ethnic tribal and regional to national cosmopolitan and transnational subjects and spaces postcolonial fictions as constituting a new world literary space and as a site of the articulation of contending narratives of urban space global culture and postcolonial development and postcolonial feminist citizenship as a universal political project challenging current neo liberal and post neo liberal contractions and eviscerations of public spaces and
