The School Of God:

God in Schools Christine Van Horn,2010-06-30 God In Schools is a book designed for principals teachers and parents showing how we deviated from the education plan of our American heritage the effect it has had upon our nation and the urgency to put God back into America s schools Dr Christine Van Horn is a long time member of Family Harvest Church in Tinley Park Illinois Under Senior Pastor Dr Robb Thompson she has served in the Children s Ministry for many years and most recently has been the Team Leader for Champions in Character Club Dr Van Horn received her Masters and Doctorate Degrees in Theology from the International College of Excellence founded by Dr Thompson Dr Van Horn has been on the faculty of the International College of Excellence She and her husband John are currently on the faculty of the DanEL Institute of Higher Learning in Tinley Park Illinois Dr Christine Van Horn may be contacted at jcvanhorninc comcast net

In the School of God James Allen, **I Am God's Property** Dr. Linda Ray Hall-Searight,2025-04-16 This book is purposely entitled in a double entendre form Linda Searight is God s Property and is the catalyst of the birth of a movement that impacted a change throughout the music industry in the mid to late 1900s The subtitle denotes the vehicle created by Dr Searight which was paramount in igniting this change The reader will become aware and for some be reminded of the teenage choir that instantly rose to fame throughout America and abroad Dr Searight shares how the early years of her life were filled with events in sacred and secular settings She meticulously describes the many times she was casually in the presence of dignitaries from her early childhood to her college years She explains how every experience was like stepping stones impacting her life and causing her to impact the lives of those around her As you read this book it may seem at times that Dr Searight is telling two different stories However the unique true story of her life is actually like three or four stories being told at the same time It is her earnest desire that you will especially enjoy reading about how her creative mentor and her artistic mentor impacted every direction of her life HOW TO USE GOD'S LIFETIME WARRANTY IN YOUR

MARRIAGE Dr. Amos Adeniyi,2014-08-28 The idea to write fictional letters to marital couples on how to use God s lifetime warranty on their marriages came into being in the process of a sermon preparation as a guest pastor for a local church in November 2011 I prayed about which message to deliver for many days About two days before Sunday I had a dream that a young lady participated during my sermon After the sermon her family greeted me well and said I made her speak in public for the first time and I gave her the encouragement that she needs for the rest of her life Then I woke up On the actual Sunday service during the sermon I asked the congregation how many of them had a dog or a cat A young lady a 17 year old said she had a cat I asked if she ever took her cat for a walk she said no I asked why not She replied Nobody does Then I said people take their dogs for walks but this does not mean that dogs are more important or better than cats Cats have their own usefulness God who created us knows that we are not the same and that we cannot function in the same way One should not be boasting that s he is better than the other After the service the grandfather of the cat owner who spoke during my sermon

and her aunt came to me and thanked me for the opportunity given to the young lady to talk for the first time in public which would enable her to express herself publicly When I was praying at home after the sermon I had the feeling that God wanted me to tell people to try out what seems to be unusual for them It has been my concern for many years that many couples don't take their wedding vows seriously It is affecting children a great deal many children have two or three stepparents Those children without stepparents seem to be the odd ones among their peers In Canada about 50% of first marriages may likely end up in divorce One may presume that the rate of divorce in second marriages would be lower but instead it is higher at 72% while third marriages have the highest divorce rate of 85% Comparative Annual Divorce Rate in Canada Similarly in America the first marriage divorce rate ranges from 41 50% second marriage divorce rate is between 60 67% and third marriage is between 73 74% Information on Divorce Rate and Statistics This book is fictional The stories are not real stories They are about my past experiences with heterosexual couples in my counseling or pastoral care I do not have a particular person or couple in mind No names in the book are real names If anybody's name or any couples have the same names as used in the book I would like them to know that I am not telling their particular story or using them as an example The Holy Spirit inspired the writers of the bible stories instructions messages and the same Holy Spirit is still talking to us today I believe I was inspired to write the book I will encourage anyone or couple whose story or stories are similar to what's in the book not to be too critical but to take it the book as a means through which God is speaking to them to change No marriage is too bad that God cannot change for better Don't fold your arms and accept your troubled marriage as a done deal I will advise the readers to call upon the author of marriage God through Jesus Christ to fix their marriages He is able Since the idea of letter writing is becoming obsolete one may be wondering why letters to marital couples and not email text or any other modern means of communication Letter writing is an old form of communication which is to inform correct and educate In the New Testament there are many letters written by Paul the apostle and others to individuals and churches to deal with issues circumstances and problems faced by the recipients We never read about their responses or their initial letters to the Apostles Similarly only letters written to the couples are featured in this book Most of the Letters in this book are long term correspondence with the imaginary couples The objectives of the letters are to 1 Encourage couples not to give up on their dream of having a successful marriage and to continue fighting until the victory is won 2 Enable the counsellors pastors to keep their counselees hope alive as long as they are still interested in counselling 3 Help families and friends to keep on supporting the couples in crises Note that some of the letters end with prayer while some didn't The idea is we don't have to impose prayer on people Praying with people is as important as praying for people in absentia We need permission to pray with people but we don't need permission to pray for people while they are not there In both my pastoral and counselling ministries the most prevalent issues are marriage and family matters This book thus serves as a handbook to help couples in crises or prevent couples from getting into a marital mess It can be used in marriage enrichment groups or as a counsellor

Pastor's handbook The group Leaders Counsellors or Pastors should not use the book as a weapon of judgment against anyone but as a means of correction and education The book is calling people who just want a family and not a marriage Many couples lose love in their marriages Love is the greatest gift God gives to people but many people do not accept it They choose anger instead of peace or love from God The book is calling the readers who are making wrong decisions for wrong reasons We should not let bitterness anger frustration alcohol drugs etc ruin our marital relationships The principles of marital solutions in the book focus on God May God bless you as you read the it Shalom

The Pennsylvania School Journal Pennsylvania. Dept. of Public Instruction, 1875 Discipline in the School of God: Its Nature and Effect. By J.B.S. J. B. S., 1903 **Teaching about God and Spirituality** Roberta Louis Goodman, 2002 A wide array of renowned scholars and practitioners share their ideas for teaching about God from a Jewish perspective in this comprehensive collection This enlightening yet practical resource includes ready to use lessons for preschool through adult and family education as well as background material to enrich the teacher's own sense of God and spirituality Chapters include Writing a Personal Theology by Dr Neil Gillman The Changing Perceptions of God in Judaism by Rabbi Rifat Sonsino The Spiritual Condition of American Jews by Dr David Ariel The Image of God as Teacher by Dr Hanan Alexander Spiritual Mentoring by Dr Carol Ochs Tell Me a Story by Rabbi Sandi Eisenberg Sasso The Way of Christian Service Zacharias Tanee Fomum, 2016-05-22 Serving the Lord is something that is best begun in His immediate presence When a person has served Him in His immediate presence and satisfied His heart He may send such a one to go and serve on His behalf Serving the Lord in His immediate presence consists essentially in worshipping Him Of the leaders of the church in Antioch it was said While they were worshipping the Lord and fasting the Holy Spirit said Set apart for me Barnabas and Saul for the work to which I have called them Then after fasting and praying they laid their hands on them and sent them off Acts 13 2 3 Barnabas and Saul were sent out to serve from the presence of the Lord to the work to which God had called them They were ministering in His presence when He sent them away to minister on His behalf All service of the Lord ought to begin that way Serving the Lord is invariably tied to resurrection life No one can truly serve the Lord without that He the Lord of all glory has taken the initiative to bring that one into His service This is so because those who serve Him must know death with Christ and resurrection with Him Service is the flow of the life of God and without resurrection life there can be no flow People can do many things in the Lord's name but only that which flows from life will last and to have the flow of life there must first of all be death A person will minister in proportion to the extent to which he has died and risen with Christ Those who spare themselves the hard demands of the cross will find that they have also spared themselves the ministry of life The extent to which a person surrenders himself to death to the world and the flesh is the extent to which that one will know resurrection life and resurrection ministry There can be a work in might and power that is not fully of the Holy Spirit Samson ministered in power although he was out of vital fellowship with the Holy God God demands holiness from all who would serve Him to His satisfaction Finally we want to say

that Christian work is acceptable in His sight and satisfies His heart only to the extent to which it is in harmony with His will and under His direction Every work that is outside His will and direction is not only useless it is an abomination to Him Too many believers today are doing nothing for the Lord They are shy and withdrawn and lack boldness and a clear sense of direction Where are those who would dare to step out at His command and take entire villages towns provinces nations and continents for Him Where are those who would seek great things for Him My prayer is that the Lord of the harvest should use these messages to raise servants and slaves unto His glorious Son and that such will start in His presence and as He directs end in the uttermost parts of the world Lord Jesus ignore the weaknesses and shortcomings both of these messages and of the human messenger and use them Lord for Your glory Amen A complete Body of practical Divinity; being a new improvement of the Assembly's Catechism ... To which are prefix'd some memoirs of the Author's life; with his solemn form of covenanting with God. [With a preface by J. Smith.] Thomas DOOLITTLE,1723 **Home School Heroes** Christopher J.
