The Secret Lives of Doctors Mary Clark Keyser, 2007-05 A hospital is run like any other business with relationships involving friendships politics animosity craftiness and sometimes sex and murder Such is the case in the hospitals in the town of Parksville On the surface all runs smoothly with well trained personnel going about their daily jobs in a routine manner There may be an undercurrent of threats and promises to pave the way toward increased income and status Dr Gannett a former surgeon becomes the Medical Center Director supervising all four hospitals in the town a lucrative position with great respect But he sees on the horizon a tempting way to improve his situation even more Meeting many obstacles in his path he becomes a changed man forceful demanding threatening those who oppose him in his climb to greater authority Before he meets his Nemesis he leaves a path of destruction in human lives Fortunately there are enough good characters to carry on the superior quality of the practice of medicine in Parksville **The Secret Lives Of Doctors' Wives** Ann Major, 2006-12-01

Pierce Carver was one of Austin s richest most successful surgeons And he was going to marry trauma nurse Rose Marie Castle and put her aching feet into glass slippers Unfortunately the doctor had a weakness for the allure of youth and feminine perfection He jilted Rose Marie three years ago and she s still dreaming of revenge And things are looking bad for Rose Marie The night Pierce died she was inside his magnificent home half naked and very willing to accept his apologies Now she s the prime suspect Worse her high school sweetheart is the investigating detective But if Rose Marie didn t kill the not so good doctor who did Between his ex wives his angry stepchildren and the deep dirty secrets driving their lives somebody resorted to murder And it looks as if Dr Carver kept the biggest baddest secrets of all **The Secret Life of a**

Doctor'S Wife Rebekah McLeod, 2016-09-16 After experiencing an unplanned pregnancy over ten years after her third child was born Rebekah found herself back at the starting line of motherhood Reflecting on the disparity between expectation and reality Rebekah tackles the difficulties of parenting marriage and faith with both humor and insight **The Secret Life of a Doctors Wife** is a collection of essays that chronicle the human struggle to find equilibrium or just a shred of peace when life throws a giant curve ball **The Secret Life of a Preacher's Wife** Shirley, 2012-07 My sincere hope is that every person in an abusive relationship will get out and that the abuser will be changed by realizing the pain and suffering they cause When I prayed that God would allow me to marry a preacher somewhere in my mind I thought it would guarantee me a life of love peace and happiness Nothing was further from the truth After all preachers are men too clothed in nice suits shoes and fancy robes All my life I had been around marriages that should have ended years ago I wanted to be different I wanted to help people change I wanted to see men love and cherish their wives We all know for the most part at least on the surface that preachers wives seem to be more than happy Some wear the designer suits and hats with fancy matching shoes On occasion I did too However I soon found out at least in my life it was all superficial I was all smiles and encouraging words outside the door but most days behind closed doors my life was a living hell Three months into my marriage I began living in a nightmare

I told myself I would never tell anyone I would help the world believe we had the ideal marriage Even before the I do s I knew there were some problems Before long Shirley became a preacher s wife with a secret life and everything in her told her that she s not the only one

When Doctors Kill Joshua A. Perper,Stephen J. Cina,2010-06-14 It would come as no surprise that many readers may be shocked and intrigued by the title of our book Some especially our medical colleagues may wonder why it is even worthwhile to raise the issue of killing by doctors Killing is clearly an thetical to the Art and Science of Medicine which is geared toward easing pain and suffering and to saving lives rather than smothering them Doctors should be a source of comfort rather than a cause for alarm Nevertheless although they often don t want to admit it doctors are people too Physicians have the same genetic library of both endearing qualities and character defects as the rest of us but their vocation places them in a position to intimately interject themselves into the lives of other people In most cases fortunately the positive traits are dominant and doctors do more good than harm While physicists and mathematicians paved the road to the stars and deciphered the mysteries of the atom they simultaneously unleashed destructive powers that may one day bring about the annihilation of our planet Concurrently doctors and allied scientists have delved into the deep secrets of the body and mind mastering the anatomy and physiology of the human body even mapping the very molecules that make us who we are But make no mistake a person is not simply an elegant b logical machine to be marveled at then dissected
