**The Seven Churches of the Apocalypse: A Look at the Seven Churches in the Book of Revelation** Daniel H. Kiser, 2021-02-09 While in exile on the Island of Patmos the Apostle John received this instruction from Jesus Write what you see into a book Send it to the seven churches Ephesus Smyrna Pergamum Thyatira Sardis Philadelphia and Laodicea Revelation 1 11 The Message Bible Jesus then proceeds to dictate to the apostle personal messages to each of the seven churches The content of these messages does not contain the opinions or instructions of a pastor deacon elder or governing church council These messages were sent directly from Jesus and reveal his assessment of each church This in itself should be sufficient reason for taking the time and exerting the energy to do an exhaustive study of the seven churches But there are additional reasons as well which are dealt with extensively in this book The messages reveal what is acceptable and unacceptable to Jesus in the life of a church They also reflect seven periods of church history In addition the messages explain a Christian s relationship to the group of believers with which they are associated Furthermore they stress the responsibility of every Christian to protect the spiritual welfare of the local church Finally these messages provide the proper perspective of what Jesus values most in a church At the end of each message Jesus makes this statement Anyone with ears to hear must listen to the Spirit and understand what he is saying to the churches Revelation 2 7 New Living Translation The messages to the seven churches of the Apocalypse are as relevant today as they were when John received them They are intended for anyone who has ears to hear what the Spirit says to the churches

Svoboda, 1869     **The Seven Churches of Revelation** Larry B. Patton TH.D, 2018-11-13 The theme of the book of Revelation is derived from its opening sentence The Revelation of Jesus Christ John the beloved disciple is the recipient of this revelation but Jesus Christ the Alpha and the Omega is its author The major corpus of this letter to the seven churches of Asia Minor has Jesus Christ as its principal subject Christ's message to the seven churches of the Apocalypse Revelation transcends the barriers of time and space Whatever criticisms and commendations were pronounced upon the churches of Asia Minor the same are applicable to all churches which presently dispense similar attitudes and characteristics The message of the Apocalypse while couched in visions and symbols and numbers is simply this the final judgment of God will be pronounced upon Satan and sin and his redeemed children will be victorious over the power and dominion of Satan It is my hope that you will be challenged to read and study about the seven churches in the book of Revelation Utilize the bibliography as a guide to additional resources on the subject     An Exposition of the Seven Epistles to the Seven Churches Henry More, 1669     The Seven Churches of Asia Robert Maguire (Rector of St. Olave's, Southwark.), 1857     **The Seven Letters to the Seven Churches in Revelation** James Thomas Lee, Jr., 2014-04-15 The Apostle John had been exiled to the isle of Patmos because of his stand for Christ So on the Lord's Day Jesus had come to him and had commanded him to write the words that appear in the book of Revelation Revelation 1 10 11 says I was in the Spirit on the Lord's day and heard behind me a great voice as of a trumpet Saying I am Alpha and Omega the first and the last and What thou seest write in a book and send it unto the seven churches which are in Asia unto Ephesus and unto Smyrna and unto Pergamos and unto Thyatira and unto Sardis and unto Philadelphia and unto Laodicea Each of the

seven letters had followed a simple but consistent pattern They had begun with a simple greeting that had stated specific characteristics of Jesus Those characteristics had been indicated to the specific church based upon what the Lord through John would be saying to the church Following that opening characteristic Jesus had reported to each church an assessment of where they had been spiritually He had then given them a prescription for fixing their problems Lastly He had concluded each letter by giving the people in each church a promise to those that HAVE overcome In chapter one of this book the author date and occasion for the writing of the book of Revelation will be given What evidence exists to actually show that the Apostle John had written the book The four most popular approaches for understanding the book of Revelation will also be discussed Had the seven letters just been written to the seven churches or is there an expanded viewpoint about their applicability In chapter two a consideration of Proconsular Asia will be provided That is the area where the seven churches had been located So in looking at it one can better understand when the seven churches had been established One can also better understand the spiritual problems that had been prevalent in that region In chapters three through nine each of the seven letters will be carefully examined Then chapter ten will present any final thoughts and conclusions that one might draw from this kind of study As always the purpose of this book is to honor and glorify the Lord He is the beginning and the end the Alpha and the Omega He is worthy of ALL honor and glory

**Secrets of the Seven Churches**

Will Clark,2015-06-30 Do you want to really understand the warnings in John s letters to the Seven Churches in the Book of Revelation If so then you must read this book John s letters to the seven churches warn all to pay attention to events and to listen to what the Spirit tells them The admonishment He that hath an ear pay attention to what s happening was repeated in each of the seven letters This admonishment was not addressed to the seven churches It was addressed seven times to all churches especially today s churches At this time and to those ancient churches what are our greatest warnings from God in the Book of Revelation to watch and to understand what s happening around us Three things were emphasized over and over First to hold fast to our faith in Christ Second to be aware of that Jezebel who will lead many astray Third to avoid sexual immorality and fornication These three were emphasized over and over to all churches Christ s words introduced us to that woman Jezebel as being in the church at Thyatira but He didn t say who she was and He didn t say she was not in other churches Later in Chapter 17 He showed us exactly who that Jezebel religion is It s clearly the Islamic religion drunken with the blood of the saints and with the blood of the martyrs of Jesus That description could not be more clear and definitive This woman this religion didn t exist until seven hundred years after the letters were written to the seven churches There would have been no way for those in the seven churches at that time to interpret what the letters mean today The letters were warnings of future events that would occur We were warned not to be seduced by that prophetess Those who fall into her trap or blindly turn aside and accept her ways

will be denied their salvation with God That s why the Seven Spirits of God are within us for power to defeat that great Beast led by Satan And we were warned to refrain from sexual immorality and fornication In this warning He spoke to individuals churches and nations as shown in Leviticus 18 24 Defile not ye yourselves in any of these things for in all these the nations are defiled which I cast out before you This book also answers many other questions and mysteries in those seven letters For example the source of the words Nicolaitanes Balaam and Balac are identified and explained and how they apply to today s events The children of Israel suffered God s wrath for many generations when He cast them out of their land when they turned against his Word Should we in the United States or any other part of the world consider ourselves safe from His wrath and His promises just because we are more important more worldly and more sophisticated than were the ancient Jews
