deliverance Their prayers are heard and passed on to Control the controller who determines where the prince will go next Though many do cry out for help the Prince cannot always deliver them from the evil of others Sometimes he gets to those in time Sometimes unfortunately he is too late In many cases when all seems lost and they have little or no hope of being saved many will cry out for the Shadow Prince While Prince Mathew and the Shadow Prince are one and the same the outcome can be drastically different Prince Mathew is known as the savior The Shadow Prince is better known as the destroyer Even those in the animal world fear him knowing full well he is the bringer of life and death rendering justice as he sees fit Having the power to destroy entire civilizations or planets though he has never had to do that A tear in the fabric of time has occurred in a faraway galaxy It has created an opening between two galaxies Normally these things repair themselves but for whatever reason this one has remained open A race within that galaxy known as the Kragens has found it and is exploiting it by cleansing any and every planet they have found Already billions have died at the hands of the Kragens Prince Mathews assignment To stop the Kragens Force them to recall their ships and reenter their own galaxy or destroy them down to the last man and ship Then find a way to close the tear between the two galaxies The Kragens have completely spoiled their planets turning them into giant waste sites Their leaders convincing their citizens it s the fault of others and thus paving the way for their approval to overthrow and take what is not theirs Their scientists using genetic manipulation have created a killing machine known as a Kragdog The Kragdog is a cross between a turtle and a dog They are a fearless killing and eating machine and can and will kill anything and everything they find They are responsible for the elimination of humans and animal life on almost every planet they have come across Their shell armor protects them from most standard projectile weapons and they have few weaknesses aside from being too heavy to swim The Shadow Prince a creation of God was once a very powerful man but in order to fight the Kragens and their war machine he must submit to becoming something more A procedure called the change will turn him into a superhuman An increase in his personal strengths and powers with the ability to survive the voids of space and the many weapons that could come to be aligned against him He will gain an increase in his personal strengths and powers but will lose the ability to feel those much loved sensual touches by his companion and mate The men will still be able to father children but the women will lose the ability to birth them leaving only the alternative of adoption for them Many will join with Prince Mathew to fight this new threat to their galaxies and their way of life Not all The Shadow Witch Gertrude Crownfield, 2022-09-16 In The Shadow Witch Gertrude Crownfield will survive the battles weaves a tapestry of myth and enchantment taking readers on a journey through a world where the mystical becomes tangible This special edition presented to us by DigiCat Publishing preserves the literary integrity of Crownfield's original prose while breathing new life into the text for contemporary readers The narrative style of The Shadow Witch is rooted in the rich traditions of fantasy literature echoing the transcendence of reality that typifies works of the genre The literary context of Crownfield's work highlights the ever lasting human fascination with the supernatural and the thin veil that
