

The background of the entire cover is a photograph of a Parisian street at night. A multi-story brick building with several windows is the central focus. A bright street lamp is visible on the right side of the building. In the foreground, there are silhouettes of people walking. At the bottom left, a sign for 'au café bleu' is partially visible. The overall atmosphere is dark and moody, typical of a crime novel cover.

The Shadow Puppet Inspector Maigret:

The Shadow Puppet Georges Simenon, 2014-10-02 A new translation of this gripping domestic tragedy set in Simenon's very own neighbourhood. One by one the lighted windows went dark. The silhouette of the dead man could still be seen through the frosted glass like a Chinese shadow puppet. A taxi pulled up. It wasn't the public prosecutor yet. A young woman crossed the courtyard with hurried steps leaving a whiff of perfume in her wake. Summoned to the dimly lit Place des Vosges one night where he sees shadowy figures at apartment windows, Maigret uncovers a tragic story of desperate lives, unhappy families, addiction, and a terrible fatal greed. Penguin is publishing the entire series of Maigret novels in new translations. This novel has been published in previous translations as *Maigret Mystified* and *The Shadow in the Courtyard*. Compelling, remorseless, brilliant John Gray. One of the greatest writers of the twentieth century, Simenon was unequalled at making us look inside, though the ability was masked by his brilliance at absorbing us obsessively in his stories. *Guardian* Maigret's World Murielle Wenger, Stephen Trussel, 2017-09-13 Georges Simenon's 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small, episodic doses. As readers become acquainted with Maigret, one detail at a time, he slowly takes on a flesh and bone realism, not merely a character in a story but someone we would like to meet in real life. This book presents all the canonical facts and details about the detective and his world in one place, presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself. *The Two-penny Bar* Georges Simenon, 2020 While visiting a criminal in his cell, Inspector Maigret is told of a man who'd been spotted dumping a body in a Parisian canal some years ago. Later, at a popular inn, Maigret finds himself in the very place the suspected killer was last seen and is pulled deep into a web of blackmail and deceit. A scientist is shot dead in his laboratory, his body within easy view of the surrounding apartments. Did anyone see anything? Why was he killed? Summoned to investigate, Maigret uncovers a tragic story of desperate lives, unhappy families, addiction, and a terrible fatal greed. **The Grand Banks Café** Georges Simenon, 2014-06-05 The father of contemporary European detective fiction, Ann Cleeves. It was indeed a photograph, a picture of a woman. But the face was completely hidden, scribbled all over in red ink. Someone had tried to obliterate the head, someone very angry. The pen had bitten into the paper. There were so many criss-crossed lines that not a single square millimetre had been left visible. On the other hand, below the head, the torso had not been touched. A pair of large breasts. A light coloured silk dress, very tight and very low cut. Sailors don't talk much to other men, especially not to policemen. But after Captain Fallut's body is found floating near his trawler, they all mention the Evil Eye when they speak of the Ocean's voyage. Penguin is publishing the entire series of Maigret novels in new translations. This novel has been published in a previous translation as *The Sailors' Rendezvous*. Compelling, remorseless, brilliant John Gray. One of the greatest writers of the twentieth century. *Guardian*. A supreme writer, unforgettable vividness. *Independent*. **Maigret Sets a Trap** Georges Simenon, 2016-03-24 The most addictive of writers.
