The Shepherd of My Soul Charles Callan, Charles J Callan Op, 2015-03-14 No types more beautiful could have been chosen under which to picture the character of our Lord and the souls He came to redeem than those of a shepherd and his flock As nothing on earth could more fitly illustrate the infinite love and sacrifice of the Saviour than the enduring labors and tenderness of a shepherd so nothing here below could better portray the multiple wants of our spirits than the needful dependent nature of sheep After the knowledge we possess of our Redeemer only a slight acquaintance with the characteristics of pastoral life as it exists in oriental countries is needed to discern the charming fitness of these comparisons The similarity is at once striking and most easily understood Hence it is that our Lord as well as those who described Him before He came so often appealed to shepherd life when speaking of the Messiah s mission hence also it is that He was so fond of calling Himself the Good Shepherd and of alluding to the souls He loved as His sheep It is the purpose of the pages that follow to trace some of these beautiful and touching resemblances of the shepherd and his flock on the one side roaming over the hills and plains of Palestine and the Saviour of the World with the souls of men on the other pursuing together the journey of life We have taken as our guide in noting these charming likenesses the Twenty second Psalm or the Psalm of the Good Shepherd every verse of which recalls some feature or features of pastoral life and sings of the offices tender and varied which the shepherd discharges towards his flock As this shepherd song was composed and written in the Hebrew tongue the language of ancient Palestine we have employed here a literal translation from the original language simply because it expresses much more beautifully and more exactly than does any rendering from the Latin or Greek the various marks and characteristics of the shepherd s life and duties The oriental

languages like the people who speak them are exceedingly figurative and poetic in their modes of expression and hence for our present purpose it is only by getting back as closely as we can to the original that we are able adequately to appreciate the beauty and poetry of that simple but charming life about which the Psalmist is singing Although the Shepherd Psalm refers in its literal sense to the human shepherd attending and providing for his sheep it has also another higher meaning which its author gave it and this has reference to Christ in His relations with the souls He has made and redeemed It is by reflecting on this sense of the psalm and on all His gracious dealings with us that we are enabled to realize how rightly and justly our Saviour is called the Shepherd of Our Souls and how beautifully the Psalmist in the shepherd song has depicted His relations with us And how important this is how much it means for our spiritual welfare and spiritual advancement to reflect on the many mercies of Christ and on the love He bears each one of us If the considerations that follow assist their readers to appreciate more fully and love more ardently the Divine Shepherd of Souls who daily and constantly throughout our lives is ministering to our spiritual needs and trying to further our eternal interests the desire and aim which prompted their writing will be fully and perfectly realized

The Shepherd and his flock; or, The Keeper of Israel and the sheep of His pasture John Ross MacDuff, 1866

The Shepherd of My Soul Rev. Charles J. Callan, 2015-10-26 It is the purpose of the pages that follow to trace some of these beautiful and touching resemblances of the shepherd and his flock on the one side roaming over the hills and plains of Palestine and the Saviour of the World with the souls of men on the other pursuing together the journey of life With poetic instinct springing from sound Scriptural insight Father Callan beautifully traces the analogy between the Oriental shepherd life and Christ s dealings with the soul and in this portrayal gives us a well balanced view of the relation of the soul to God a thorough knowledge of human nature with a generous compassion for its many inherent weaknesses and a most gentle yet persuasive insistence on the basic truths of the spiritual life the source of all deep sensible and tender piety The subject is handled in a manner most complete and enlightening the main theme being the strong constant personal love that our Blessed Lord has for each individual soul and the outpouring of this love and tender solicitude in the providential care which an Omniscient and Omnipotent God alone can exercise The book touches with gentle firmness the main springs of our spiritual and religious life rousing faith and arousing to a loving confiding trust in the Shepherd of our souls Catholic World Volume 102 1915 A most timely reminder in these days of strife involving half the civilized world to the timid soul that there is something beyond all the cruelty of war that the Good Shepherd looks with sorrow on the sheep fighting madly and blindly among themselves that once again they shall be gathered into the fold The mode in which Father Callan makes use of this

felicitous tradition of Jew and Gentile to impress us all with the lessons of noble living which it conveys is in the highest degree profitable and practical The American Catholic Quarterly Review Volume 41 1916 Father Callan takes the twenty second Psalm the Psalm of the Good Shepherd and gives a detailed comparison of the shepherd and his flock roaming the hills and plains o Palestine with the Savior of the world shepherding human souls throughout life s journey The author gives the Psalm s literal translation from the Hebrew holding that it expresses more beautifully and exactly the different characteristics of shepherd life in the Orient than does any version from the Latin or Greek The chapters of the book are divided according to the verses of the Psalms and the author stresses especially the application of David s song to the relation between souls and the Great Shepherd of souls It is by reflecting on this the higher sense of the poem that Father Callan hopes to make his readers appreciate more fully and love more intensely the Shepherd who died that the flock might live America Volume 14 1915

The Ministry, Vol. 04, No. 01 Various Authors,1999-02-01 In this issue of The Ministry Brother Lee speaks from a heavy burden concerning fruit bearing In John 15 the Lord says that every branch in Him that does not bear fruit the Father will take away This does not mean that a branch of the vine that does not bear fruit will perish Rather it means that such a branch is in danger of losing the enjoyment of the rich supply of Christ On the contrary the more we as branches produce new believers as fruit the more we enjoy Christ The proper way to bear remaining fruit is not the way of gospel campaigns and big speakers but the inner hidden way of life As branches of the vine we must impart life to others to bring forth the fruit of life in a hidden way The three messages which follow are the conclusion of the messages given in the Memorial Day Conference in Chicago Illinois concerning the new revival The subject of Message Four in this series is living the life of a God man to be conformed to the death of Christ through the power of the resurrection of Christ for the reality of the Body of Christ Death and resurrection are vital to our Christian life and to God s economy Such a life of dying to ourselves and living to God is for Christ the first God man to be formed in His many members the many God men for the building up of His organic Body that the economy of God might be carried out Message Five indicates that we need to shepherd people according to the pattern of the Lord Jesus in His ministry for the carrying out of God s eternal economy and Message Six concludes with the fact that shepherding is to take all inclusive tender care of the flock Last of all we include reports concerning the Lord s move in Mexico Taiwan and Russia as well as an announcement which gives the dates of the upcoming conferences and trainings in Europe

Lift Up Your Eyes Christopher Shaw, 2008-01-01 This book has been written with the following principle in mind The life we live when no one is watching will significantly impact our public ministry It is essential that we quiet our hearts lifting our eyes to the One who can empower and equip us to accomplish His work *The Ministry, Vol. 11, No. 07* Various Authors, 2007-09-01 This issue of The Ministry contains a complete record of the eight messages given during the International Training for Elders and Responsible Ones in Anaheim California held March 30 April 1 2007

The general subject of the training was Shepherding the Church of God as a Slave of God which comes from Acts 20:28 where Paul charges the elders to shepherd the church of God which He obtained through His own blood. This is also our charge. Paul says that God purchased the church with His own blood and that we need to shepherd the church of God. In verse 19 Paul said that he served the Lord as a slave with all humility and tears and trials. This is the pattern that we should follow. We need to shepherd the church of God as a slave of God serving the Lord with all humility in all trials and even with tears so that we could be dispensing stewards of the grace of God for the building up of the Body. We also include a report concerning the 2007 European Young People's Conference held in Male Ciche, Poland.

Men and women of the Bible grapple with failures and future goals. Ng found encouragement in their stories and their strength and she shows how you can too. Although Ng continues to wrestle with challenges and adjustments to life's unpredictable changes remain in her life, she is no longer alone in dealing with those problems. *No Longer Alone through the Valley* seeks to help you find Jesus' gifts to guide you through your challenges whatever they might be. All you have to do is ask.
