Women Sarvjeet Mishra ,2023-03-02 As scholars of gender inequality in the workplace we are routinely asked by companies to investigate why they are having trouble retaining women and promoting them to senior ranks It s a pervasive problem Women made remarkable progress accessing positions of power and authority in the 1970s and 1980s but that progress slowed considerably in the 1990s and has stalled completely in this century Ask people why women remain so dramatically underrepresented and you will hear from the vast majority a lament an unfortunate but inevitable truth that goes something like this High level jobs require extremely long hours women s devotion to family makes it impossible for them to put in those hours and their careers suffer as a result We call this explanation the work family narrative In a 2012 survey of more than 6 500 Harvard Business School alumni from many different industries 73% of men and 85% of women invoked it to explain women s stalled advancement Believing this explanation doesn t mean it s true however and our research calls it seriously into question We heard this explanation a few years ago from a global consulting firm that having had no success with off the shelf solutions sought our help in understanding how its culture might be hampering its women employees The firm recruits from elite colleges and MBA programs and ranks near the top of lists of prestigious consultancies but like most other professional services firms it has few female partners We worked with the firm for 18 months during which time we interviewed 107 consultants women and men partners and associates Virtually everybody resorted to some version of the work family narrative to explain the paucity of female partners But as we reported last year with our colleague Erin Reid the more time we spent with people at the firm the more we found that their explanations didn t correspond with the data Women weren t held back because of trouble balancing the competing demands of work and family men too suffered from the balance problem and nevertheless advanced Women were held back because unlike men they were encouraged to take accommodations such as going part time and shifting to internally facing roles

which derailed their careers The real culprit was a general culture of overwork that hurt both men and women and locked gender inequality in place Science by Women Eucharia Oluchi Nwaichi,2021-12-09 This book provides a roadmap for those embarking on a career in STEM whether in the research or industry realms Focusing on paths taken by women the contributors lend their stories tips and tricks and hardships they faced entering into fields historically dominated by men The authors provide practical advice highlighting soft skills that are not often taught as modules in the classroom Topics include research collaborations performance enhancement the gender lens in research design and development imposter syndrome felt by many women in science ethics in science scaling feminine leadership being an influencer as a science leader and time and resources optimization for career advancement in science from resource poor settings Others interested in science and its impacts on society will also find the book informative and timely As an important part of the Organization for Women in Science in the Developing World OWSD University of Port Harcourt Branch Book project the work hopes to inspire women and men girls and boys to enter and apply themselves to secure the future in STEM **The Heart of Every Marriage - Real Stories by Real People** Mike and Connie Gilbride,2019-08-30 From across the country and around the world over 30 couples have opened the doors of their lives Go behind the scenes with us to meet real people with real stories The messy parts aren't sanitized The joys aren't minimized You might see them broken bruised and yet abundantly blessed As each page of their story is turned you will be sure to ask how some could find hope in the middle of their circumstances Yet the joy they each found in their marriage will grip you Intricately threaded through their lives is the real author of their story Jesus Come with us to discover how each marriage was touched with His fingerprints of hope *Keep It Simple for Busy Women* Emilie Barnes,2002-03-01 Elegant and joyous Emilie Barnes new book is an oasis of serenity in a woman's stress filled life Devotionals for every weekday arranged by the month offer inspirational thoughts short prayers and simple pleasures ideas for getting the most out of each day Emilie has crafted the book for yearlong reading putting thought into the timing of her themes and prose Consider January A Well Designed Life May The Art of Lingering July Summer Fireflies and a Red Rose October A Swirl of Leaves December Celebrating the Moment Keep it Simple for Busy Women is travel friendly providing soothing yet spirited reading wherever an on the go woman's weekday takes her A great gift for friends coworkers secret pals or any woman who welcomes a calm moment in the crush of the everyday **The Girl Upstairs** Grace Harper,2021-08-15 What happens when the man you had a one night stand with moves in across the road Ellie Newman broke her vow to never leave her hometown for anything and went to Barcelona to a business conference She broke another of her rules and had a one night stand with the handsome man who asked to share her table in the busy hotel bar Drinks turned into a meal and a meal turned to a nightcap and then nakedness They agreed on no names or anything specific that could identify them afterwards Lewis Mercer didn't need to bother keeping the promise On his first day at his new business premises he came face to face with the bombshell he'd spent an unforgettable night with Not only was she living in the same

town but Ellie also lived directly across the road from him Lewis saw it as fate throwing them together However Ellie wasn't convinced when Lewis's new business venture made her life miserable Ellie had given up a brilliant career in the city to start her tech business If she doesn't win the pitch she has to deliver she'll be back to job hunting If Lewis doesn't win his contract he'll go bankrupt and lose his house Lewis faces a choice when it comes down to the wire He's spent countless weeks persuading Ellie they are good for each other So how will Ellie react when he chooses business over love Enjoy this standalone novel with brand new characters Get ready for a hilarious small town romance [Hollie Porter's Hat Trick Christmas](#) Eliza Gordon,2023-12-25 It's 100% on brand Hollie Porter chaos Katie Reads Hollie Porter has her fifth Christmas with hunky hockey husband Ryan all planned out But when a massive storm grounds her man on the mainland Hollie must work double time to keep the Revelation Cove guests happy fed and rabies free They say bad things come in threes but in hockey three goals by one player is called a hat trick Despite weather woes a group of masked party crashers and a very merry strip tease gone wrong can Hollie still score a hat trick of her own on the Big Day Come on up to the Cove for a hilarious holiday romp full of romance cookies and chaos as if you'd expect anything less from our beloved Hollie [Hollie Porter Gone Wild](#) Eliza Gordon,2024-04-24 Embark on a whirlwind of holiday fun romantic escapades and eco adventures with Hollie Porter and her hunky hockey husband Ryan in Hollie Porter Gone Wild A Novella Trilogy This wacky collection brings together three hilarious novellas filled with all the Hollie Porter shenanigans you can imagine and then some In Hollie Porter's Hat Trick Christmas join Hollie as she navigates a chaotic Christmas at Revelation Cove complete with a snow bound husband masked party crashers and a holiday fete even Santa would enjoy Can Hollie score a hat trick of her own to make this a Christmas to remember Valentine's Day brings its own set of challenges in Open Me First where Hollie plays nurse to her freshly broken Ryan and tackles resort chaos fueled by Cupid's terrible aim Romantic treasure hunts and surprising and awkward revelations make this Valentine's Day weekend one for the books The trilogy rounds off with Hollie Porter Saves the Planet where Earth Day at Revelation Cove is anything but peaceful Hollie and Ryan hustle to make an eco summit a success despite tech mishaps and social media sabotage It's a comedic celebration of love community and our planet that's sure to sprout some giggles Dive into each story packed with romance humor and the occasional pandemonium perfect for readers looking for a lighthearted escape Come on up to the Cove we can't wait to check you in **I Am a Feminist** Monique Polak,2019-05-07 What is feminism Why does it still matter What exactly does intersectionality mean In order to answer these and many other questions I Am a Feminist first examines the history of feminism and then addresses the issues girls and women continue to face today The book also looks at the ways in which people especially young people are working together to create a world where gender equality is a reality not a dream The author shares stories about the courageous individuals who have made a difference in the lives of women and girls worldwide From suffragists to the MeToo movement I Am a Feminist encourages readers to stand up and speak out for equality and justice **Criminological Theory** Stephen G.
