Sports are fun games that people play together. They make our bodies strong and healthy! We can play sports outside or inside. Some sports use a ball, like soccer or basketball, while others use special equipment, like bats and gloves for baseball. Sports help us learn how to work together as a team and follow rules. They also teach us about winning and losing gracefully. When we play sports, we run, jump, and have lots of fun! Whether it's kicking a ball or swinging a bat, sports make us happy and keep us active and strong.
