stargazing **When the Dragon Wore the Crown** Cerow, Don,2013-05-01 When our ancestors gazed upon the skies

thousands of years ago they looked up into the center of Creation and saw a mighty Dragon a great celestial serpent with
wings circling ceaselessly above them night after night century after century When the Dragon Wore the Crown is a ground
breaking book that covers a period of over six thousand years focusing on what astrologers would call the Ages of Gemini
Taurus and Aries and taking us through the period of classical astronomy with the Greeks and Romans approx 7000 BC 200
AD When the Dragon Wore the Crown opens and closes with the Chinese mythological tradition and touches on Sumerian
Babylonian Phoenician Hindu Norse Native American and even Mayan myths weaving together many of their celestial
serpentine similarities It focuses primarily on the role of the constellation Draco the astronomical marker of the North
Celestial Pole for literally thousands of years The importance of this simple astronomical observation helped facilitate the
study of the calendar navigation farming and social organization The circuit of the seasons was marked by this cadence with
the moving center guarding the position of the zodiacal circle for literally thousands of years The secret of the circle was
hidden in its center The one had to be determined before the other If the true center was not accurately observed and
determined the entire circle was off This is a beautiful and informative book of discovery following the mythology of various
cultures as it evolved into modern astronomy *Stargazer* Bob Hush,2001-02 The author s fascination with robotics takes us
on a journey to a strange planet called Sonar A planet filled with human like creatures and rituals performed by its
inhabitants Little did anyone expect to find that Abigail s journey would eventually open the door to earth s past and its
relationship with a race of beings called the Saylon Following the unsuccessful invasion of Sonar by the Earth Alliance in the
year 2081 it would take almost one hundred years to pass before both sides would embrace each other in brotherhood
Unfortunately not everyone on earth was eager to greet the Stargazer colonies as their equal People that still felt that human
form androids were the servants of the devil In the end the signing of the treaty between the two worlds would forever
change the meaning of the word humanity The Stargazers D. M. Ficke,Jennifer Ficke,Barbara Wheeler,2015-01-02 In the
far reaches of space the Cyclonians are waging a terrible campaign of extermination Evil drives them as civilizations fall from
the onslaught Less advanced worlds such as Earth lack the capabilities to repel such an attack The Stargazian Empire turns a
blind eye to the events happening around them only to be thrown into an unwanted war Heroes will rise but many will fall
