The Steward Weald Fae Journals Book English Edition:

The Steward Christopher A. Shields, Professor of Philosophy and Classics Christopher Shields, 2012-08-01 There's Magic in the Wilds Maggie O'Shea expected the worst when her family relocated from the lively beaches of Boca Raton to the secluded forests of the Ozark Mountains. What she didn't expect was a new beginning, one full of Fae magical powers, dangerous physical and mental trials, and two surprisingly gorgeous young men. These aren't the fairies you're familiar with, but dangerous superpowers embroiled in an enduring struggle among themselves over the fate of all humanity. Some want to protect us, and others would love nothing more than to see us, and especially fifteen-year-old Maggie, dead and buried. Now torn between her new duties as Steward of the most sacred Fae land and her burgeoning love for Gavin, a powerful Fae, Maggie must fight to protect her family, her friends, herself, and the fate of the entire world. Join Maggie as she learns that fairy lore is not as far from the truth as she had believed, but neither is it anything like the tales in books or movies. As she navigates the treacherous schemes of the Fae, Maggie must become a quick study if she hopes to protect the lives of many, and possibly all people, from the insidious plot the Unseelie Fae have planned for centuries. *The Steward* is the first book in the exciting and magical four-part series, *the Weald Fae Journals* by Christopher Shields. [The Aetherfae \(Weald Fae Journals, Book 3\)](#) Christopher Shields, 2013 The Weald is No More. Much has changed for Maggie O'Shea in the past eight months. The Weald is abandoned, its last Steward dead, and the Seelie Clan in tatters. Maggie, her family, and her friends are on the run, frantically traversing the globe as they are hunted by Ozara's Alliance, Rogue Fae, and a ruthless vampire tracker named Mara who is capable of seeing through all of Maggie's cleverest tricks and disguises. As Maggie travels deeper and deeper into Europe's most ancient Fae territories, danger and destruction follow her at every turn. The only things that can save her: Discovering the identity of the second Aetherfae, her most dangerous adversary, and learning the secret to creating Aether, the only weapon strong enough to destroy her enemy. And the clock is ticking. *The Weald Fae Journals* Continue **The Aetherfae** Christopher Shields, 2013-09 The Weald is No More. Much has changed for Maggie O'Shea in the past eight months.
