Leaning on the Word Lester Ruth,Eric L. Mathis,2017 Think mid twentieth century Baptist evangelism and the figure that comes immediately to mind is likely Billy Graham But far removed from the glitz and glamor of televised crusades what did typical Baptist mission field evangelism and worship really look like In this latest volume in the Church at Worship series Lester Ruth and Eric L Mathis draw from a rich selection of primary sources to immerse readers in the worship life of Conservative Baptists in northwest Argentina from 1948 to 1964 Combining historical theological and practical perspectives this book offers a vital educational resource for Christian ministers engaged in or preparing for cross cultural ministry introduces readers to a worshipping community that may be unfamiliar to them and represents a significant contribution to liturgical history The God's Honest Truth Laird S. Ballard,2013-06-12 If you have ever wanted to believe in God in the face of so much that would say He doesn t exist this is the book for you On the scientific level The God s Honest Truth is just that a book of truth discussing what scientific proof is as opposed to what is mere science fiction regarding universal beginnings It deals with issues of six day creationism offers evidence for a worldwide flood and denounces evolution for what it is On a theological level it is a primer for contemporary biblical thinking teaching believers what the Bible says on the important issues of life It discusses why evil exists in the face of an all loving God and whether the fate of sinful man will be perpetual torture in the fires of hell Lastly it walks readers through such historical subjects as Christian participation in warfare slavery and speaks to the more current issues of abortion and gay rights Based strictly on biblical doctrines when rendering decisions it is meant as a guide through the ever changing customs and conceived morality of life on planet Earth

Mission Partnership in Creative Tension Samuel Cueva,2015-04-14 Samuel Cueva has refined his concept of partnership in mission by advocating the use of reciprocal contextual collaboration in this important contribution to scholarly reflection on contemporary missiology Referencing historical theological and functional aspects of how mission has been carried out as well as analyzing its impact on the evangelical movement the author identifies that mission always develops with positive and negative tensions Emphasizing an understanding of current missions which include traditional networking

and emergent models and how they can be combined interconnected and interchanged the author proposes a fresh model that ensures the suitability for every mission context **Women and the Christian Story** Jennifer Hornyak

Wojciechowski,2022-10-18 This is a story about Christian women It is a story of martyrs mystics missionaries leaders preachers theologians saints and prophets For most of its two thousand year history Christianity has told its stories from the perspective of men mostly powerful men and almost always men in control of the official narrative These masculine narratives tell only part of the story because they obscure the rich and essential contributions large and small of Christian women throughout time If the stories of women have been overlooked generally stories of women from outside the Western tradition have been even more seriously overlooked In this exciting readable and fresh new history of Christianity Jennifer Hornyak Wojciechowski foregrounds the story of Christian women for a new era Be they powerful or nameless saintly or flawed women across two millennia and six continents are lifted up and allowed to speak fully to their part in the spread of the faith Wojciechowski s book works perfectly as a classroom text while welcoming general readers of all backgrounds and interest levels **EARLY CHRISTIANITY IN THE FIRST CENTURY** Edward D. Andrews,2017-07-02 [An Ecumenical Field Guide For Fresh Expressions](#) Michael Adam Beck,2024-08-20 Learn the essentials of fresh expressions for your church

[An Ecumenical Field Guide for Fresh Expressions](#) is a practical manual for understanding and implementing Fresh Expressions for a church in any denominational setting The Fresh Expressions movement is a new way of thinking about the local church and a new way of doing church as a congregation It refers to new fresh iterations or types expressions of ministry usually outside the confines of the church building These iterations or types of ministries are formed intentionally but organically out in the community where people are They are based on shared activities or interests where people are gathering already and where the people are open to or interested in learning about Jesus Christian people share their own stories of how Jesus is part of their lives Often these gatherings become regular and increasingly begin to adopt the practices of a church community like worship service study and giving Thus they become fresh expressions of the church from which they sprang [The Encyclopedia of Christianity, Volume 1 \(A-D\)](#) Erwin Fahlbusch,Jan Lochman,John Mbiti,Jaroslav Pelikan,Lukas Vischer,2025-04-14 A major intellectual resource Jaroslav Pelikan from the foreword The multiple award

viewed in Asia as a Western imposition Challenging this Dr Jerry Hwang examines the Old Testament's cultural engagement of its ancient Near Eastern context arguing that Scripture itself provides the ultimate model for contextualizing theology in Asia While it is common for missiological studies to ignore the Old Testament in their discussion of contextualization truly biblical contextualization must include the whole Bible not simply the New Testament This study provides insightful discourse between the Old Testament and various Asian contexts while demonstrating how Asian perspectives can help overcome the Eurocentrism prevalent in Old Testament scholarship This is an ideal resource for scholars and practitioners interested in a biblical perspective of contextualization especially as related to constructing theology that honors the truth of Scripture in the context of Asia *What's Faith Got to Do with It? Dr. Christopher Doyle,2022-07-12

The research writing and analysis in the pages of this work show the story of how Generation X grew up during one of the greatest periods of technological social political economic and educational change in US history Included in that story is how the greater percentage of them grew up in the church but then walked away en masse Today Generation X is the smallest percentage of Main Line and Catholic Church membership while the overwhelming majority of church membership is made up of an aging population of Baby Boomers and Silent Generation folk In ten year s time what will be the state of the church when many of the current membership has passed on to eternal life or are no longer able to do what it is that they re doing today Generation X could well be the answer to much of the solution Generation X is generally at a more comfortable place in their lives and are asking the questions about the meaning of their lives while considering issues of mortality Yet at the same time they re having now to care for parents grandchildren and for many Gen Xers their own children still They re busy and committed but they re also spiritually hungry Having had a relationship at one point in their lives they re not completely foreign to what the church can be but the ball is really in the church s court How the church chooses to respond to Generation X could mean life or church closure It s a conversation that needs to take place and that conversation begins here
