*The STORY of the AMULET* Edith Nesbit, 2015-06-25 There were once four children who spent their summer holidays in a white house happily situated between a sandpit and a chalkpit. One day they had the good fortune to find in the sandpit a strange creature. Its eyes were on long horns like snail's eyes and it could move them in and out like telescopes. It had ears like a bat's ears and its tubby body was shaped like a spider's and covered with thick soft fur and it had hands and feet like a monkey's. It told the children whose names were Cyril, Robert, Anthea, and Jane that it was a Psammead, or sand fairy. Psammead is pronounced Sammy. And it was old, old, old and its birthday was almost at the very beginning of everything. And it had been buried in the sand for thousands of years. But it still kept its fairylikeness and part of this fairylikeness was its power to give people whatever they wished for. You know, fairies have always been able to do this. Cyril, Robert, Anthea, and Jane now found their wishes come true but somehow they never could think of just the right things.

to wish for and their wishes sometimes turned out very oddly indeed In the end their unwise wishings landed them in what Robert called a very tight place indeed and the Psammead consented to help them out of it in return for their promise never to ask it to grant them any more wishes and never to tell anyone about it because it did not want to be bothered to give wishes to anyone ever any more At the moment of parting Jane said politely I wish we were going to see you again some day And the Psammead touched by this friendly thought granted the wish The book about all this is called Five Children and It and it ends up in a most tiresome way by saying The children DID see the Psammead again but it was not in the sandpit it was but I must say no more The reason that nothing more could be said was that I had not then been able to find out exactly when and where the children met the Psammead again Of course I knew they would meet it because it was a beast of its word and when it said a thing would happen that thing happened without fail How different from the people who tell us about what weather it is going to be on Thursday next in London the South Coast and Channel The summer holidays during which the Psammead had been found and the wishes given had been wonderful holidays in the country and the children had the highest hopes of just such another holiday for the next summer The winter holidays were beguiled by the wonderful happenings of The Phoenix and the Carpet and the loss of these two treasures would have left the children in despair but for the splendid hope of their next holiday in the country The world they felt and indeed had some reason to feel was full of wonderful things and they were really the sort of people that wonderful things happen to So they looked forward to the summer holiday but when it came everything was different and very very horrid Father had to go out to Manchuria to telegraph news about the war to the tiresome paper he wrote for the Daily Bellerophon or something like that was its name And Mother poor dear Mother was away in Madeira because she had been very ill And The Lamb I mean the baby was with her And Aunt Emma who was Mother s sister had suddenly married Uncle Reginald who was Father s brother and they had gone to China which is much too far off for you to expect to spend the holidays in however fond your aunt and uncle may be of you
