## **The Supremes Greatest Hits English Edition:**

**The Supremes' Greatest Hits, 2nd Revised & Updated Edition** Michael G. Trachtman, 2016-09-13 Can the government seize your house to build a shopping mall Can it determine what control you have over your own body Can police search your cellphone The answers to those questions come from the Supreme Court whose rulings have shaped American life and justice and allowed Americans to retain basic freedoms such as privacy free speech and the right to a fair trial Especially relevant in light of Justice Antonin Scalia s passing as President Obama gears for a fight over nominating his successor and as we prepare to elect a new president who may get to appoint other justices the revised and updated edition of Michael G Trachtman s page turner includes ten important new cases from 2010 to 2015 In addition a special section features analyses of the new term rulings planned for June 2016 The new cases include Citizens United v Federal Election Commission 2010 which restricts the right of governments to limit campaign contributions by corporations and unions Burwell v Hobby Lobby 2014 which allows a religious exemption from the Affordable Care Act requirement that corporations pay for contraceptive coverage for their employees Riley v California 2014 which ruled that police need warrants to search the cellphones of people they arrest and Obergefell v Hodges 2015 which ruled that the Constitution guarantees a right to same sex marriage

**The Supremes' Greatest Hits** Michael G. Trachtman, 2009 Trachtman discusses 37 of the most significant issues the Supreme Court has grappled with from equal rights to privacy rights from the limits of speech to the boundaries between church and state

**Motown Encyclopedia** Graham Betts, 2014-06-02 Motown means different things to different people The mere mention of perhaps the most iconic record label in history is often enough to invoke memories and mental images of Marvin Gaye Diana Ross Stevie Wonder The Temptations The Jackson 5 The Supremes and numerous others With each group recalled there is an accompanying piece of music of the mind from Baby Love My Girl Signed Sealed Delivered I Heard It Through The Grapevine ABC and Tears Of A Clown and countless more Quite often you can ask people what kind of music they like and they will simply answer Motown and both they and you know exactly what is meant Or rather what is implied The Motown they are invariably thinking of is the label that dominated the charts in the mid 1960s with a succession of radio friendly dance orientated hits most of which were written and produced by the trio of Brian Holland Lamont Dozier and Eddie Holland This period is referred to naturally enough as the Golden Era when Motown was not only the dominant force in its home city of Detroit but carried The Sound of Young America all around the world The kind of music that had them Dancing In the Street from Los Angeles to London Miami to Munich and San Francisco to Sydney It was the kind of music that attracted scores of imitators some good some not so good The kind of music that appealed to the public and presidents alike and still does It was that Motown that this book was intended to be about However when you start digging deeper into the Motown story you realise that throughout its life which for the purposes of this book is its formation in 1959 through to its sale in 1988 it was constantly trying other musical genres looking to grab hits out of jazz

country pop rock middle of the road and whatever else might be happening at the time Of course it wasn't particularly successful at some of the other genres although those who claim Motown never did much in the rock market conveniently overlook the healthy sales figures achieved by Rare Earth the group and focus instead on the total sales achieved on Rare Earth the label This book therefore contains biographies of all 684 artists who had releases on Motown and their various imprints as well as biographies of 16 musicians 23 producers 19 writers and 13 executives There are also details of the 50 or so labels that Motown owned licensed to or licensed from All nine films and the 17 soundtracks are also featured Every Motown single and album and EP that made the Top Ten of the pop charts in either the US or UK also have their own entries with 222 singles 84 albums and five EPs being featured Finally there are 36 other entries covering such topics as the Hollywood Walk of Fame the Motortown Revues Grammy Awards and the most played Motown songs on radio The 1 178 entries cover every aspect of Motown and more of the link between Granny in The Beverly Hillbillies and Wonder Woman of the artists from Abbey Tavern Singers to Zulema and the hits from ABC to You Really Got A Hold On Me The Motown Encyclopedia is the story of Motown Records Yesterday Today Forever      **The Supremes - Greatest Hits (Songbook)** The Supremes, 2004-08-01 Piano Vocal Guitar Artist Songbook 18 hits from one of the most successful acts of Motown's glory years Includes Baby Love Back in My Arms Again Come See About Me I Hear a Symphony Love Child Love Is like an Itching in My Heart My World Is Empty Without You Stoned Love Stop In the Name of Love Where Did Our Love Go You Can't Hurry Love You Keep Me Hangin' On more      Billboard , 1967-11-18 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends      The United States v.
