summed up my entire life ordinary I lived with my grandmother in a rural town in Montana As I worked beside her in our small store she taught me everything I needed to know Except how to find her when she disappeared into thin air Yesterday going off to college was my greatest adventure But the truth about my childhood was hidden from me my entire life cloaked by a powerful spell I thought all the tales she told me were just bedtime stories children's fantasies Until I stumbled into the Covis Realm Until I learned my mother was killed because she was a mage Until I was told my father died defending her Until I realized I'm the rightful heir to the throne Mages were hunted and killed because of their powers They said a mage could never be the queen My response Watch me *Playing Hard: A Steamy Baseball Romance* Melanie Scott, 2016 She's playing it smart and he'd be a bad bad idea Amelia Graham has always been the MVP of good girls Keeping her head down and playing safe have gotten her all the way to Wall Street and the security she craves There's no room in her game plan for bad boys And New York Saints first baseman Oliver Shields is way too smooth to be anything but bad His face might be hot enough to melt unwary hearts but she knows enough about athletes to know they're usually players in more ways than one

He lives for the game but she's changing the rules Oliver never takes his eyes off the prize But when he meets Amelia at a party celebrating the Saints finally making the play offs he can't help thinking maybe one wild night with her is just what he needs Pity she's playing hard to get But when things go horribly wrong and he's facing the end of his career Amelia is the one who unexpectedly steps up to the plate to help him through even though she's supposed to be focused on winning her dream job Flirting turns to feelings neither of them are ready to admit but when faced with goodbye can they swing for the fences and risk it all for love Playing Hard is the fourth book in the New York Saints series a steamy sports romance series This series has billionaires baseball strong heroines team drama the occasional cute pet and sexy times Enjoy Author's note For tropes and CW please check the author's website KEYWORDS Baseball romance series steamy sports romance just a fling professional athlete hero romance baseball hero hurt comfort strong heroine romance contemporary romance sensual sexy modern kissing books swoon emotional Courting The Witch: A Romantic Fantasy Prequel Novella M.J.
