*Peaceful at Heart* Don Neufeld, Steve Thomas, 2019-05-31 While there are plenty of books by men for men on the topic of Christian masculinity these books generally fail to address men's propensities for violence and the traditional inequity between men and women often endorsing inequity and sanctioning aggressive behavior as an appropriate manly response to conflict *Peaceful at Heart* cuts through this conversation by offering a uniquely Anabaptist Christian perspective on masculinity The vision of masculinity presented in this book is more peaceful just caring life giving for men and more sensitive to women and children than both traditional images of masculinity and the hypermasculine images promoted by contemporary popular culture and wider evangelical Christianity *Peaceful at Heart* addresses men and

masculinity using Anabaptist theological themes of discipleship community and peace As a collaborative project by men for men this book demonstrates through personal narratives theological reflection and practical guidance the importance of collective discernment accountability and mutual encouragement regarding how to live as a peaceful man in a violent world

way We aren't meant to figure life out on our own says John Eldredge God wants to father us In *The Way of the Wild Heart* Eldredge reveals how God comes to a man and takes him on the masculine journey how nearly all the events of a man's life can come together to provide the initiation he never received And how parents can offer that initiation to their sons Whatever your age may be your Father is ready to take up your journey For you are his son *The Responsive Marriage* Donald W.
