Financial and Managerial Accounting Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2018-06-06 Financial and Managerial Accounting provides students with a clear introduction to fundamental accounting concepts beginning with the building blocks of the accounting cycle and continuing through financial statements. This product is ideal for a two semester Financial and Managerial Accounting sequence where students spend equal time learning financial and managerial accounting concepts as well as learn the accounting cycle from a corporate perspective.

Fundamentals of Engineering Economic Analysis John A. White, Kellie S. Grasman, Kenneth E. Case, Kim LaScola Needy, David B. Pratt, 2020-07-28 Fundamentals of Engineering Economic Analysis offers a powerful visually rich approach to the subject delivering streamlined yet rigorous coverage of the use of economic analysis techniques in engineering design. This award winning textbook provides an impressive array of pedagogical tools to maximize student engagement and comprehension including learning objectives, key term definitions, comprehensive case studies, classroom discussion questions, and challenging practice problems. Clear topically organized chapters guide students from fundamental concepts of borrowing, lending, investing, and time value of money to more complex topics such as capitalized and future worth, external rate of return, depreciation, and after tax economic analysis. This fully updated second edition features substantial new and revised content that has been thoroughly re-designed to support different learning and teaching styles. Numerous real world vignettes demonstrate how students will use economics as practicing engineers while plentiful illustrations such as cash flow diagrams reinforce student understanding of underlying concepts. Extensive digital resources now provide an immersive interactive learning environment enabling students to use integrated tools such as Excel. The addition of the WileyPLUS platform provides tutorials, videos, animations, a complete library of Excel video lessons, and much more.
