Will Adderall Help Me Write My Paper:

Play The Devil Scott Laudati, 2021-09-13 *Play The Devil* is the debut novel from Scott Laudati. A semi autobiographical tale of two best friends traversing the backyards of New Jersey in search of the American Dream. Like a 200 page Bruce Springsteen song *Play The Devil* is permeated by a sense of nostalgia and loss of love and redemption with images of old Americana littering the novel like scenes from a movie. It is the coming of age story for the next generation. Welcome to post 9 11 America where capitalism and apathy run rampant and men like Donald Trump can become president. In this world the future often appears futile to millennials in their mid twenties stuck in that awkward directionless stage between school and real life. Scott Laudati's debut novel *Play the Devil* perfectly situates itself within these strange times. Lara Robertson *Tharunka Magazine AUS*. In his first novel *Play The Devil* Scott Laudati tackles the common coming of age story with a refreshing take on the classic cliché. If the idea of truth illuminated in harsh light with a heavy dose of comedic tragedy appeals to you pick up *Play the Devil*. Sarah Joseph *The Voice Athabasca University*. Scott Laudati's debut novel is simply poetic. It is a brilliant comedic adventure served with a slice of truth. Tristan Sherlock *Dircksey Magazine*. Edith Cowan University.

Devout Anna Gazmarian, 2024-03-12 A moving Leslie Jamison author of *The Recovering* memoir that reconciles the author's bipolar disorder diagnosis and her Evangelical faith to create a new framework for which to live. In this dazzling Publishers Weekly starred review memoir Anna Gazmarian tells the story of how her Evangelical upbringing in North Carolina failed to help her understand the mental health diagnosis she received and the work she had to do to find proper medical treatment while also maintaining her faith. When Anna is diagnosed with bipolar disorder in 2011 she's faced with a conundrum while the diagnosis provides clarity about her manic and depressive episodes she must confront the stigma that her Evangelical community attaches to her condition. Over the course of ten years we follow Anna on her journey to reframe her understanding of mental health to expand the limits of what her religious practice can offer. In *Devout* A Memoir of Doubt Anna shows that pursuing our emotional health and our spiritual well being is one single mission and in both cases an act of faith.
