

FOREWORD

This manual contains an introductory description of the SUZUKI M1000 and procedures for its proper operation and use, and of its major components. Other information contained in this manual is not included.

Read this manual carefully before operating the motorcycle and its maintenance. Use this manual as a guide for proper inspection and service.

This manual will help you know the motorcycle better so that you can ensure your customers of top and reliable service.

- This manual has been prepared on the basis of the latest specifications of the line of production. If modifications have been made since then, differences may exist between the content of this manual and the actual motorcycle.
- Instructions in this manual are used to show the basic principles of operation and work procedures. They may not represent the state of motorcycle exactly in detail.
- This manual is written for persons who have enough knowledge, skills and tools, including special tools, for servicing SUZUKI motorcycles. If you do not have the proper knowledge and tools, ask your authorized SUZUKI motorcycle dealer to help you.

WARNING

Improper installation or maintenance work on the proper tools and equipment may not be able to properly perform the functions described in this manual. Improper repair may result in injury to the mechanics and may create the motorcycle unsafe for use and are dangerous.

IMPORTANT

All street legal Suzuki motorcycles with engine displacement of 50cc or greater are subject to Government Pollution Agency (EPA) emission regulations. These regulations set specific standards for exhaust emissions, noise levels as well as various emission requirements. This manual includes specific information required to properly inspect and service the M1000 in accordance with all EPA regulations. It is strongly recommended that the chapter on Emission Control, Pollution Testing and Certification be thoroughly reviewed before any type of service work is performed.

Further information concerning the EPA emission regulations and U.S. Suzuki emission control program can be found at the U.S. Suzuki Motorcycle Company, PROGRAM SPECIAL SERVICE DIVISION.
